

Policy 5117: Interdistrict Attendance

Status: ADOPTED

Original Adopted Date: 04/22/2014 | **Last Revised Date:** 03/12/2024 | **Last Reviewed Date:** 03/12/2024

The Governing Board recognizes that parents/guardians of students who reside within the geographic boundaries of one district may, for a variety of reasons, choose to enroll their child in a school in another district.

Interdistrict Attendance Agreements and Permits

The Board may enter into an agreement with any other school district, for a term not to exceed five school years, for the interdistrict attendance of students who are residents of the districts.
(Education Code 46600)

The agreement shall specify the terms and conditions under which interdistrict attendance shall be permitted or denied. It also may contain standards agreed upon by both districts for reapplication and/or revocation of the student's permit. (Education Code 46600)

Upon receiving a permit for transfer into the district that has been approved by the student's district of residence, or upon receiving a written request from the parent/guardian of a district student who wishes to enroll in another district, the Superintendent or designee shall review the request and may approve or deny the permit subject to the terms and conditions of the interdistrict attendance agreement. The Superintendent or designee may limit the number of student transfers out of the district on an annual basis based on enrollment, financial and other factors as determined by the Superintendent or designee.

Once a request is approved, the parent/guardian shall sign a Supplemental Agreement for Interdistrict Attendance that states the conditions under which interdistrict permits may be denied, non-renewed, or canceled during the school year.

Transportation

The district shall not provide transportation beyond any school attendance area.

Upon parent/guardian request, the district shall provide transportation assistance to a student receiving an interdistrict transfer who is eligible for free and reduced-price meals and is the child of an active duty military parent/guardian or a victim of bullying, as defined in Education Code 46600 (Education Code 46600)
