For activities that begin in the winter or spring of the upcoming school year, fee reduction will be based upon the student's eligibility for free or reduced lunch at the time that the activity starts.

**This is an annual fee.** Once the fee is paid, the student may participate in as many activities as he/she chooses. Payment of the fee will not guarantee a student's placement on a team or game time during the sport. Should the student not be selected to participate on the team or activity, a refund may be requested from the Business Office if this was the only activity in which the student is going to participate during the school year. A canceled check must accompany the reimbursement request.

Payment of the fee is due by **August 2nd** for fall sports. Payment for the fee is due prior to the first practice for the winter/spring sport or any musical group. Students will not be permitted to practice or receive a uniform until the fee has been paid. **Students who participate in the co-op program with Schuylkill Valley for Lacrosse are required to submit the \$350 fee prior to the first practice of the season. Checks or money orders must be made payable to the Fleetwood Area School District and should be submitted to the Business Office. Cash will not be accepted.**
