BETHEL SCHOOL DISTRICT 6th GRADE MIDDLE SCHOOL REGISTRATION

Welcome to middle school in the Bethel School District. Middle school in the Bethel School District consists of grades 6th – 8th. The 6th – 8th grade configuration allows middle school teachers to work together in teams, helping young adolescents transition from elementary and prepare for the transition to high school. Working in a team environment, teachers will get to know their students' developmental uniqueness while providing an integrated learning experience across all disciplines that is diverse and challenging.

Middle school is also a time of exploration of new subjects. To facilitate this, in sixth grade, students will participate in a fine arts course and a health and fitness course in addition to their core classes. Fine Arts classes are defined as art, theatre and music.

These are the courses all sixth-grade students in middle schools will take:

- Humanities (English Language Arts and Social Studies)
- Mathematics
- Science
- Health & Fitness
- Fine Arts Course (Band, Choir, Orchestra or a Fine Arts Rotation)

Students may be placed in additional reading support classes based upon their qualifying test scores and 5th grade academic progress. This class will take the place of the CTE Exploratory rotation or the Fine Arts Exploratory rotation class.

To complete registration, on the back of this letter you will find a short form with your student's name on it. On the form please indicate if your son/daughter wants to participate in year-long Band/Choir/Orchestra or be placed in the Fine Arts rotation course. Please return completed form with enrollment packet.

We look forward to our continued work with you and your student as we make this transition to middle school.
