4. Describe the action steps the school/district will take to reduce the opportunity gap in student possession of ASB cards and/or participation in extracurricular activities for the upcoming school year.

Grandview High School is a 80%+ FRPL school with a 90% Hispanic/Latino population. We have about 80%+ that are participating in the College Bound Scholarship program. We are currently have 3 or 4 ideas in play to help with the lost revenues from ASB. First and foremost every student will be receiving a free ASB card this year. To recover the costs we will be looking for industry/community partners to sponsor GHS for some of these costs. We are also looking at other fund raising ideas that will also help. In addition, we are looking into some major partnerships... i.e. Amazon Smile, Target, etc. We have started a uniform and shoe fund for students in need. These funds will help cover cheerleading and shoes, both of which are very personal items. I welcome any further questions.
