## 2261 - **TITLE I SERVICES**

The Board of Education elects to augment the educational program of educationally disadvantaged students by the use of Federal funds and in accordance with Title I of the Elementary and Secondary Education Act of 1965, as amended.

The Superintendent shall prepare and present to the Ohio Department of Education a plan for the delivery of services which meets the requirements of the law, including those described below. The plan shall be developed by appropriate staff members and parents of students who will be served by the plan. The District will periodically review and revise the plan, as necessary.

### **A. Assessment**

The Board shall annually assess the educational needs of eligible children, as determined by Federal and State criteria. Such assessment shall include performance measures mandated by the Ohio Department of Education as well as those determined by the District professional staff, that will assist in the diagnosis, teaching, and learning of the participating students.

### **B. Scope**

Each school shall determine whether the funds will be used to upgrade the educational program of an entire school in Title I schools that qualify as schoolwide schools and/or to establish or improve programs that provide services only for eligible students in greatest need of assistance. The schoolwide program, for an entire school and/or a Targeted Assistance School, shall include the components required by law as well as those agreed upon by participating staff and parents.

### **C. Participation**

The Title I program shall be developed and evaluated in consultation with parents and professional staff members, including teachers, principals, other school leaders, paraprofessionals, specialized instructional support personnel, administrators and other school appropriate personnel involved in its implementation. Appropriate training will be provided to staff members who provide Title I services. Parent participation shall be in accord with Board Policy 2261.01 and shall meet the requirements of Section 1116 of the Act.

### **D. Supplement Not Supplant and Comparability of Services**

Title I funds will be used only to supplement, not to supplant, State and local funds. The District will document its compliance with the supplement not supplant provisions by using a written methodology that ensures State and local funds are allocated to each school on the same basis, regardless of whether a school receives Title I funding.

The Superintendent shall use State and local funds to provide educational services in schools receiving Title I assistance that, taken as a whole, are at least comparable to services being provided in schools that are not
