What better way to show our appreciation for the sacrifices that our veterans have made for us than to send a valentine or donate a **new** item that a veteran can use?

Schools, organizations, and individuals in the 16<sup>th</sup> Assembly District now have the opportunity to open their hearts to Assemblyman Anthony D'Urso's annual Valentines for Vets Program. This is an annual district-wide effort to show hospitalized veterans that they are appreciated and have not been forgotten.

Last year Assemblyman D'Urso delivered two truckloads of handmade valentines and gifts to the New York State Veterans Home in Stony Brook and the Northport Veterans Administration Medical Center.

Suggested items include handmade valentines, non-slip socks, winter hats, gloves, scarves, sweatpants, sweatshirts, electric toothbrushes, electric razors, gift cards, DVD's, CDs and toiletries.

**Donations have to be delivered to our office by Wednesday, January 31.**

If possible, please decorate the boxes **(NO GLITTER, PLEASE)**

Please contact me at (516) 482-6966 to confirm your participation.
