Middle School Digital Arts Teacher

Windermere Preparatory School is seeking a Middle School Digital Arts Teacher to oversee the “Laker Maker Space” program. The position requires the candidate to have an extensive knowledge of teaching digital arts in the context of the Fourth Industrial Revolution, including graphic design, animation, robotics, marketing, digital photography, photo & video editing, and web design. A Bachelor’s degree in field is required, as well as the following skills:

- Experience with teaching multimedia digital arts as listed above
- Project-based learning approach to instruction
- Skill set to work with colleagues in cross-curricular arts integrated lessons
- Organizational repertoire to include lesson planning, unit overview design, & curriculum mapping
- Ability to monitor, assess and report student progress regularly
- Effective communication, collaboration, and critical thinking skills
- Fluency with the Adobe Design Suite, including Photoshop, Premiere and After Effects. Illustrator and InDesign are a plus.

**RESPONSIBILITIES**

- Creatively develop and implement the MYP IB curriculum
- Prepare thought-provoking lessons and engage students daily
- Participate in grade level and department meetings, programs, events, and initiatives
- Practice positive classroom management skills, aligning the WPS Honor Code
- Partner and effectively communicate with parents to ensure optimal student success
- Uphold a positive and welcoming learning environment
- Meet students at their age and development stage to capitalize on their strengths and talents
- Attend school functions to support students, faculty, and community
- Maintain a safe and organized classroom environment
- Provide consistent differentiation and scaffolding strategies and techniques.
- Model excellent interpersonal skills, especially by collaborating with the school community.

**Requirements**

- Bachelor’s degree in Multimedia or Digital Arts Education
- Minimum two years of experience teaching in a Middle School setting
- Experience in a variety of media forms and implementation
- Utmost professionalism in presentation, decorum, and communication
