Position: High School IB Mathematics Teacher

Windermere Preparatory School is seeking an experienced and credentialed IB-trained high school mathematics teacher with expertise in teaching all levels of mathematics, including advanced mathematics. The ideal candidate must be adept at sparking curiosity, differentiating instruction, and incorporating technology effectively in the classroom.

Mathematics teachers at WPS are expected to help students grasp conceptual elements of mathematics beyond merely solving problems. The successful candidate will create authentic, real-world applications of mathematics to engage students’ curiosity. Additionally, this teacher should be experienced in using data to drive instructional decisions regarding student preparedness.

RESPONSIBILITIES:

- Select and plan engaging learning and teaching activities aligned with Windermere Preparatory School and Nord Anglia Education standards.
- Exercise effective classroom management with fair and consistent standards and appropriate sanctions clearly articulated to students.
- Provide a safe learning environment where students can take intellectual risks.
- Encourage students to ask questions confidently and demonstrate higher-order thinking and learning.
- Apply a wide range of assessment strategies consistent with course content and objectives.
- Differentiate instruction and assessment to meet the diverse needs of students.
- Identify students needing additional academic assistance and take appropriate actions.
- Provide opportunities for student expression through spoken, written, and electronic forms of communication.
- Foster a classroom environment of mutual respect and a global mindset.
- Assist students in taking responsibility for their actions by helping them set realistic goals.
- Use learning resources and technology to enhance lessons where appropriate.
- Provide accurate reports on student progress and maintain open communication with students and parents, ensuring reports are accurate and constructive.
- Attend school and community functions.
- Attend all required meetings.

REQUIREMENTS:

- Bachelor’s degree in Mathematics is required; Master’s Degree or higher preferred.
- Minimum of 5-7 years of teaching experience.
- Experience in the private school sector and/or IB or AP experience is desired.
- Florida teaching certification is preferred.
- Experience with Google platform preferred.
• Ability to display comprehensive knowledge of curriculum and instruction within the appropriate content area and/or grade level.
• Use formative and summative assessment data to inform instructional decisions in the classroom.
• Highly developed collaborative leadership skills and the ability to work well with colleagues, parents, and students.
• Intentionally create positive relationships that lead to a learning environment where all students feel seen, heard, respected, represented, valued, and appreciated.
• Function as an advocate, advisor, mentor, and coach for students to promote independent thinking and learning.
• Effective organizational skills, including lesson planning, implementing units of study, differentiating instruction, designing, and implementing assessments.
• Ability to monitor student progress and report information in a timely manner.
• Ability and willingness to work collaboratively with parents, including initiating conversations about student performance and development.
• Highly developed communication, presentation, and problem-solving skills.

This position offers an exciting opportunity to be part of a dynamic educational environment committed to excellence and innovation in teaching and learning. Join us in shaping the future of our students by applying your passion for mathematics and education at Windermere Preparatory School.
