CRUSADERS Bishop Heelan  Catholic High School
WELCOMES ITS ALUMNI
Open House July 4th 2-5pm

School Starts

The smell of paint and varnish, the sounds of hammers and saws and the sweat of students, faculty and maintenance personnel filled the halls of Heelan during the summer months. The cleaning, remodeling, electrical and plumbing repairs done, all made Bishop Heelan "Shine with Pride" as classes began for the 1987-88 school year.

Orientation for Bishop Heelan High School was held August 27th & 28th, with the first full day of classes beginning August 31st. 829 students are enrolled this year, with classes of 195 Seniors, 201 Juniors, 220 Sophomores and 213 Freshmen. Three new faculty members were welcomed to Bishop Heelan with the start of the school year. Jean Bruneau, Alumna, Class of '61, joins the Religion Department. Rich Touney, former instructor from 1973 to 1977, returns to the Science Department of Heelan, replacing Rich Bertelsen, who has joined the S. C. Community School System. Bret Hoyer, graduate from Regina Catholic High School, Iowa City, Ia. and Wartburg College, Waverly, IA. is a new addition to the Math Department.

This brings the faculty at Bishop Heelan to 52 full-time and 2 part-time instructors. There are 2 full-time and 2 part-time maintenance personnel that are responsible for the building. With the kitchen staff, this makes 65 employees that are on the payroll at Bishop Heelan High School.

Friend of Heelan

Donald R. Keough, President of Coca-Cola Company and a Crusader Alumnus, is a strong believer in Catholic Education.

Mr. Keough, visiting Sioux City in May to receive an honorary degree from Briar Cliff College, said he owes much of his success in life to his education and stated he has always felt obligated "to give something back" to the Catholic Educational System. A 1943 graduate of Trinity Catholic High School, Mr. Keough recalled fondly many of the priests and sisters he knew. He was an altar boy for Bishop Edmund Heelan, and in fact, Bishop Heelan wrote a letter to help Keough enroll into Creighton University.

In addition to being the Chief-Executive Officer of Coca-Cola, Keough is Chairman of the Board of Notre Dame University Trustees and the father of five children.

CONGRATULATIONS LESLIE!!!

In Memoriam

Msgr. Armand J. Elbert, pastor of St. Joseph Church, Milford, Iowa, and former superintendent of Heelan High School died Sept. 10, 1987, at the age of 55 following a long illness.

Msgr. Elbert was born March 9, 1932, at Whittemore. He attended grade school there and graduated from Presentation Academy in 1950. He was awarded a bachelor's degree from Loras College, Dubuque in 1954 and a master's degree from Creighton University, Omaha in 1957. He took his theology training at Mt. St. Bernard Seminary, Dubuque.

He was ordained to the priesthood May 31, 1958, at the Cathedral of the Epiphany, Sioux City, by Bishop Joseph M. Mueller. His first assignment was as temporary assistant at Corpus Christi Catholic Church, Fort Dodge for three months. He was then named to the faculty of Heelan High School and served until 1964. At that time he was named superintendent of Heelan and continued in that role until 1978.

His first pastorate was at Corpus Christi Church, Fort Dodge from 1978-86. He was named pastor of St. Joseph Church, Milford July 17, 1986, and served there until his death.

Msgr. Elbert's positions in the diocese included the Educational Advisory Board in 1967 and assistant Deanery Director, Southwest Deanery, Family Life Bureau 1968. He worked with the diocesan Pre-Cana program for 20 years. He was the Diocesan Development Program Director from 1977-86.

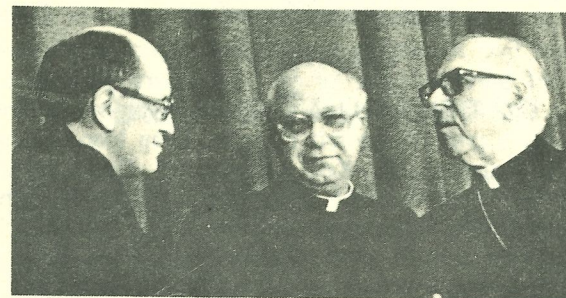

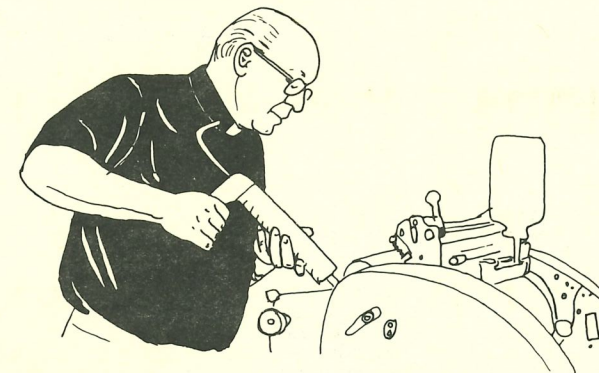

While in Sioux City, he was active in both diocesan and community affairs. He was a charter member of the diocesan school board. He was a member of the Sioux City Chamber of Commerce and a charter member of the Sioux City Junior Achievement board. He was an avid sports fan and a pilot.

Pope Paul VI named him a domestic prelate with the title monsignor in 1982.

Msgr. Elbert gave 20 of 29 years of priestly service to Heelan High School, 5 as a teacher and 15 as superintendent. Among his multiple enthusiasms was an effervescent optimism about young people, especially the young people of Sioux City known as the "Crusaders".

Effective within this school year, we will establish a Msgr. Elbert Athlete of the Year Award. This will be awarded to one senior boy and one senior girl at the time of graduation for outstanding athletic performance and leadership. Msgr. Elbert was a great friend of Heelan in his life; let us not forget him in death.

Gifts in memory of Father Elbert may be sent to Heelan High School.

Father Victor Ramaeker, Father Elbert and the late Bishop Frank Greteman after announcing Father Elbert's leaving Heelan for Corpus Christi Parish, Fort Dodge, Ia.

Five Faculty Members Give 115 Years

These five veteran teachers who, when combining their years of service, have given 115 years of their lives to Bishop Heelan Catholic High School. Gathered on the front steps for a picture are left to right, Miss Mary Castle, Mr. Thomas Brunkan, Mr. Ken Heying, Mr. Denis Hirschman, Sr. Mary Carmelita, OSM. After all these years, when a picture might have been taken, Mr. Ken Heying came close to missing this picture after fracturing his ankle in a painting accident over the preceding weekend. But, like the veteran he is, he grabbed his "sticks" and with his wife's assistance, made it to school on time.

Miss Mary Castle, a native Sioux Cityan, Signing a contract with Monsignor Lawrence Bauer, then Superintendent, for the 1963-64 school year was the beginning of her service to Heelan.

Miss Castle, in addition to English assignments, became adviser to Heelan's SHIELD (22 volumes were to follow with her advisership), to the HIGHLINE, which she still advises, and director of publicity of the CYO and Heelan High.

Mr. Thomas Brunkan, for 21 years has been teaching mathematics at Heelan, something that he himself, sees as a very important responsibility.

Before coming to Heelan, Mr. Brunkan taught for a year in Charles City, near Waterloo. It was then he decided that there is more to teaching than just books.

"One of the best parts about teaching at Heelan is that we are a Christian community," he said. "I realize more and more the importance of recognizing the spiritual, as well as the intellectual and personal needs of my students."

Guidance Counselor, **Mr. Kenneth Heying**, has always played an important role to the students of Heelan. Since the school year of 1966-67, Mr. Heying has been involved with teaching, counseling, and coaching. The title "Counselor" has always been most associated with Mr. Heying.

"There's always a tomorrow" for mathematics teacher **Mr. Denis Hirschman**. His motto belief has gotten him through millions of math problems and 22 years of teaching at Heelan.

For the past 10 years, Mr. Hirschman has been moonlighting, so to speak, as a college professor. He teaches College Algebra in the evenings at Briar Cliff College. Even though Mr. Hirschman gets to experience the best of both worlds by teaching both high school and college, his heart seems to lie with the secondary level.

Sister Mary Carmelita, O.S.M. has taught at four different high schools in her teaching career. But three times in the past 37 years, she has ended up back where she first started, Heelan High.

Sister Carmelita, first came to Heelan in 1950. She taught English and Latin for four years, before moving to Marian High School in Omaha. Returning to Heelan in 1960, Sister Carmelita taught French and English. This time she spent nine years at Heelan before moving to Massena, New York, for a year. Then from 1970 to 1974, Sister taught again at Marian High School in Omaha.

Sister Carmelita has continuously been at Heelan now since 1974. On her return she taught English and French. Sister now serves as full time librarian.

FOUR CELEBRATE ORDINATION ANNIVERSARYS

Four former faculty of Bishop Heelan High School were honored in May on the 25th Anniversary of their Ordinations.

Rev. Marvin J. Boes was on the Heelan staff from 1962-65. Since 1963 he has served as the Chaplain for the Iowa Air National Guard, 185 TFG. In 1971, he was named Chaplain for Catholic Charities and liaison coordinator of minority groups in the Sioux City Diocese.

Father Roger Linnan joined the Heelan faculty in 1962. After obtaining his doctoral degree, he served as Director of Religious Education. In 1974, he was named Assistant Superintendent for Religious Education. He served in that capacity until 1986 when he was named administrator of the Cathedral. In 1987, he was appointed pastor of St. Thomas Parish, Manson, IA.

Father James McCormick was on the faculty from 1962-64. After various parish assignments, in 1975 he began work with Opus Spiritus Santi (Holy Spirit Community) in the Diocese of Moshi, Tanzania, East Africa. In 1985, he was appointed International Rector of Opus Spiritus Santi, with headquarters in Manmolshain, West Germany.

Father Richard Sitzman, a 1953 alumnus, joined the Heelan faculty in 1963. In 1971, he was named principal of St. Mary's, Remsen, Ia. and assistant pastor. After various assignments at Kuemper High School and Emmetsburg, Ia, he is currently co-pastor at St. Boniface, Sioux City, Ia.

SUMMER REUNIONS

Class '52 — 35 years
Class '62 — 25 years
Class '67 — 20 years
Class '77 — 10 years
Heelan High School Open House

Many "Alumni" returned "home" to join Sioux City resident classmates in a series of reunions this summer. The "good ole days" and memories from younger ages were relived with each group. Alumni made these events, and Heelan's Open House a huge success. Thank you all, especially the committee people, who worked so hard on each reunion. Below is a sample of the response.

People Behind The Scenes

400 for lunch in 4 hours! And they must be fed within 1 hr. What a frightening task!! Kay Walding, who began as "relief help" 12 years ago and has been the Head Cook at Heelan for the past 5 years, coordinates such a venture 180 days a year. Utilizing the combined talents and efforts of 6 ladies, meals are prepared, students are fed and dishes cleaned in 6 hours. Approximately 3/4 of 1/2 of the students eat something from the hot lunch program. In addition to a varied full-meal menu, that includes pizza, some standard items are available ala carte (taverns, footlongs, chips). A minimum of 25 lbs. of ground beef is used for taverns, 50 footlongs roasted, various desserts baked (the cinnamon rolls are unreal), salads made and full meals prepared at a cost to the students ranging from 50¢ to \$2. Located in the CYO building, these hard working ladies deserve a pat on the back for feeding the thousands of alumni and the present students that daily pass through the cafeteria doors.

TO THE CLASS OF 1967

I almost missed the reunion. What a mistake that would have been. What a wonderful time I had and what wonderful people I graduated with.

To anyone I didn't get a chance to say a few words to, Hello! And to those I did, Thank you for such fond memories. I feel better about myself for knowing you and I hope I left you feeling as well.

My mother told me once that you are who your friends are, and I pride myself today for having some of the best. I really don't feel I thought much about how I made friends or if I even worked at seeking out the "right kind". All I can say is that my years at HEELAN and the people we have all become must be the answer.

For everyone who put it all together, thank you it was great! If the intention for reunions is to get people to look back and reflect on past triumphs and tragedies, then for me you were a smashing success. I've spent way to many hours going over the '67 Shield and the reunion directory!

What else can I say, if you're ever in the Twin Cities give me a call. If not, I'll see you in 5 years.

God bless and keep you till then.

Sincerely,

Rose Gilman

SPORTS CORNER Summer Highlights

Mr. Doug Moody, and his coaching staff, remain busy during the summer months with several sports.

The 1987-88 year marked the introduction of Soccer to Heelan Athletics, for both boys and girls. John Sandman, Boys Varsity Coach, had a 2-11-2 season for the first year. As interest and student participation develop, better seasons will come. Girls Varsity Coach, Colleen Clark, lead the "Lady Crusaders" to a 9-4-4 season. It made for a very impressive first season. Girls Golf, coached by Judy Johnson, had a Duel Record of 4-2, participating in 13 meets. In 6, Heelan golfer's had Medalist Honors. Baseball for Joe Shanks and his team meant a 42-3 season, with district and sub-state competition before losing to Des Moines Dowling in the State Finals.

Girls Varsity and Junior Varsity Softball, under the leadership of Jon Koll, had a 24-7 and 17-3 season respectively. Jon was named Coach of the Year in the 1987-88 CYO Tournament.

HEELAN IS . . .

Sincerely Yours

Denis E. Hirschman
Alumni 1960
Math Dept.

Since the fall of 1964 Heelan has been my second home. Returning as a teacher, after graduating from Heelan four years earlier, was a little scary. I have since weathered the shock of teaching former classmates' offspring and teaching students of former students.

As with any home, over the years, things have changed. The 1964-65 school year had a budget of \$266,000 for 1370 students taught by 10 priests, 30 sisters, and 21 lay persons. Students had few choices as to electives in their academic studies. In math, the latest thing was a calculator that had to be plugged in to add, subtract, multiply and divide. Sports consisted of football, basketball, track and golf. (Girls were left out.)

In 1967 Heelan had a record 1422 students. (Middle stairs were only for up traffic and end stairs were for down traffic only.)

This past school year had a budget of \$1,408,000 for 845 students taught by 6 priests, 10 sisters, and 38 lay persons. Students now have many choices as to subjects they can take and in many cases the teacher they want. In math, students have the opportunity to work on the latest Apple IIgs computer. Sports offers 9 different areas for boys and 8 different areas for girls.

Some things have not changed through the years. There have continually been outstanding people who have contributed to the education of the students of Heelan. Probably the best thing that has not changed (and really the reason why I am still here) is that the students, overall, are terrific.

Denis E. Hirschman

Sister Clare Terese Fath

I have always been proud to say that I taught at Heelan High School during the days when the school was suffering from "growing pains" (1954-1960). So I was happy when Father Ramaeker enlisted my help in locating the alumni members and their latest addresses in preparation for the organization of the Heelan Alumni. When I said "yes" to his inquiry, I didn't realize what a stupendous task lay before me. However, after eighteen months and endless (and I mean **endless**) telephone calls and the generous assistance of many of you, the list of unknown addresses was narrowed to approximately fifteen hundred. So the effort was not in vain, and the undertaking wasn't really all work. I had many enjoyable moments, especially when I heard the familiar voices of former students. These occasions led to interesting reminiscing, for I appreciated hearing about you and your families. They were pleasant steps backward into the corridors of time. Judging from your comments, you were happily surprised when you received the first fruits of our labors — the inaugural issue of **CRUSADER CONNECTION**. This publication is a welcome tie between Heelan and the thousands of men and women who have passed through Heelan's hallowed halls. With your support and cooperation, we may in time make contact with the still "unknowns". Finally, my sincere thanks to all, and may the good Lord bless and keep you always in His loving care.
