

## Students can help fight hunger too!

Join Island Harvest and students across Long Island in ending hunger in our communities!  
Here are some ways that you can help FIGHT hunger!

- ✓ Follow us on Twitter and Facebook.
- ✓ Include Island Harvest in your next party or celebration!
- ✓ Get the facts on our website, [www.islandharvest.org](http://www.islandharvest.org).
- ✓ Help feed tens of thousands of Long Island kids who know hunger firsthand by raising funds and food in your community.
- ✓ Take the Students Feeding Students Challenge by organizing a fundraiser/food drive. \$100 can help feed a student like you for about four months.

*"I set up multiple food drives with my organization. It was one of the most rewarding experiences I've ever had. I've expanded my skills as a leader, built relationships with local agencies and helped the community all in one day. In the end we were able to raise over \$400 and 1,200 pounds of food!"*

*-Kristina, Island Harvest Volunteer leader and Adelphi Student*

**To organize a fund/food drive, contact Doreen Principe, Community Outreach and Food Drive Specialist at 631 873-4775 x208 or [Doreen@islandharvest.org](mailto:Doreen@islandharvest.org).**
