Parents Club Hosts the 10th Annual "Friends of Heelan" Ball on April 29

The Heelan Parents Club hosted the 10th Annual "Friends of Heelan" Ball on April 29th, at the Marina Inn, South Sioux City, Nebraska. Featured was the Mike Day Orchestra and Tim Harrison of local Radio KZ98 with dancing from 9 - 1 AM. Throughout the evening, Father Verne Stapenhorst, Heelan Religion Department, shared a slide presentation. A piano bar and performance by the Heelan Swing Choir were additional attractions, as was the luxury of valet parking. A smorgasbord buffet was served from 11 - 12:30. The proceeds from the Ball are used each year to maintain and improve the buildings and grounds of Heelan High School. This year the profits are designated for the asphalt surfacing of the north parking lot.

INCENTIVES PRODUCE SUCCESSFUL DRIVE.

Heelan students are hard working individuals. And with added incentives, there is nothing that can stop them.

In February, Bishop Heelan Catholic High School conducted their 16th Annual Magazine Drive with the assistance and direction of Mr. Walt Whitecotton, representative for the Catholic Digest Family Reading Program. The goal for this years drive was \$78,000. For \$79,000 Mr. Dave Fravel, science and chemistry instructor, offered to shave his beard, as did Mr. Max Duval, history teacher. "Coach" Joe Malsom, history instructor, offered to wear "the uniform" for a day — blue plaid skirt, white shirt and blue knee high socks. Encouraged by these offers, plus the promise of a "free day" from school and a "jeans day", what could the students do but sell. And sell they did --- \$86,100 worth of magazine subscriptions.

Thank you to all
 who supported
 the students
 in this
 project.

JEANS DAY REWARD

Gone was the dreaded blue plaid skirt and white blouse; the dress slacks and shirts with a collar. As a reward for hard work, the "true colors" of the Heelan student body was present for one day. Jeans were the uniform of the day. Students enjoyed the chance to express their personality and tastes, as did many of the faculty who joined in the more casual attire for the day.

The Gross Sales for the magazine drive for the past 16 years amounted to \$713,672.29.

60% to the magazine company -- \$428,203.37

40% to Heelan -- \$285,468.91 -- less cost of prizes \$18,830.00 ---- \$266,638.91

Old Letter Found

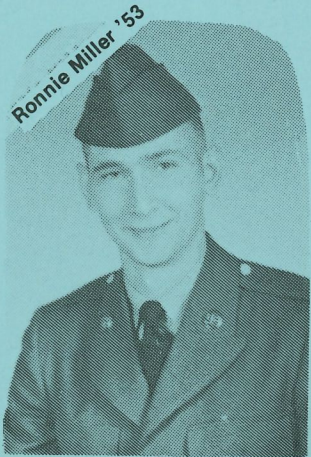

In 1959, Ronnie Miller '53, wrote to his young sister, Alice Miller Card '66, from Germany. Recently while repair work was being done at Bishop Heelan High School, the stained, yellowed letter was discovered. Mrs. Card, a resident of Elk Point, SD., was most surprised to receive a phone call from Heelan. Following our explanation, she was anxious to receive the letter as Ronnie was fatally injured in an auto accident in 1983.

Excerpts of a letter received from Mrs. Alice Miller Card '66

I read the letter to several people in the family. My brother was my daughter Emily's godfather, so Emily particularly enjoyed it.

My Mother was very surprised and pleased. She said it is a wonderful keepsake. The mystery of how the letter got to Heelan has not been solved. I suspect it was put into one of my older sister's books. She was at Heelan at the time. (Mary Ann Miller Wimmer '60) Ronnie bought my bike for me. I never rode to Stone Park, but used to ride W. 3rd. St. to get treats at the store in the area. I also rode to the library and the swimming pool. We moved to the north side the year the letter was written. Ronnie didn't make it home for Christmas that year. He had an 18 month term to serve in the Army overseas, which happened to be Germany. The letter meant a lot, because Ronnie meant a lot. His tragic death taught me that whoever you are, or no matter what your age, you should be prepared to die. It is in such a state of mind that a person can be truly happy. If we are always prepared to meet God, we wouldn't think of ever doing anything to be ashamed of. Ronny made a habit of being generous, so I am sure God was generous to him. May God Bless you for sending his letter to me. It means so much. Thank you.

Sincerely
Mrs. Alice Miller Card

Again, I have received a copy of the Crusader Connection, and am most pleased to be on your mailing list.

As a former student and graduate of the Cathedral of the Epiphany when the high school was known by that name, I do have a few regrets. It is a little sad to realize the school is no longer in existence, even though the new school rests firmly on the old foundation.

When I was a student at the Cathedral during the Thirties, the talk then was that there would be a new structure in the near future. Of course, that prediction did not become reality until the early Fifties.

On the inside back page of the Crusader Connection is a caption "Having a Reunion?" I would love to have one with my class of 1937. I am inclosing a list of names of some of the girls I graduated with: Mary Brennan, Helen Bruns, Lois Baker, Mary Catherine Dyer, Rosella Desmond, Mary Catherine Gleason, Mary Huck, Lucille MacDonald, Suzanne Murphy, Margaret Peasley, Dorothy Pierson, Rosemary Portis, June Schwartzmeyer. Then, there are girls whose first names I do not remember: Barton and Rasmussen. I remember Phyllis' first name, but cannot recall her last name.

Sincerely yours,
Dorothy Ostert Peceny

WHOOPS!!!

I make mistakes! Kelly Richou Behrens '82, & husband Doug are expecting their 2nd child, not their 1st. They have a little 2½ yr. old boy.

Janet Theisen Callahan '71, whose husband Dave is in the US Navy, is a senior chief, not chef.

HEELAN IS . . .

Sincerely Yours

After a year of being asked politely, I have consented to write a few lines for the Crusader Connection. Judy Van Patten (Alumi Staff) feels that I may have some interesting things to say.

This year, I will complete my 15th year at Heelan and attend my 30 year high school reunion. Yes, it's true and I can't believe it myself. If someone had told me in 1958 I'd be working at Heelan in 1988, I would have laughed. I would have thought I'd be too old to be working anyplace. I distinctly recall being most anxious to get as far away from high school and Sioux City as I could.

I'll never forget how it started. I called Father Elbert and told him I'd heard Heelan was looking for a school nurse. He said "We Are?" Well, it sounds like a good idea. Come in and we'll talk about it." That was the beginning of meaningful, memory filled and occasionally frustrating times.

When I first came to Heelan, we had 1,200 plus students and the physical building was filled to overflowing. Sometimes it was so noisy Mary Margaret Keane couldn't hear on the plug-in phone system. For a few years, Fr. Brown & I tried to do vision testing on each & every student. I think we nearly lost our minds.

And the Senior Study Lounge. "What a misnomer." Students who graduated several years ago and faculty members who have been here a length of time, will know what I mean. Certain students come to mind when you remember the Lounge. You know who you are out there, so I won't mention any names.

Eight years ago, I was asked if I'd be interested in the position of Assistant Dean of Students and I'm so glad that I accepted. I have many memories and wonderful friends because I did. There are so many of you out there that I miss and think of often. I wonder, as I go through old records, what has become of you and I appreciate it when you stop in or drop a line. It would take pages to name everyone...former faculty, staff and students who have touched my life in a special way.

Heelan has been a special place for me. Memories of my

student years come back as I talk to the students of today. I'm so impressed with our young people. I know there is no way I was as bright, active and involved as the students are today.

Heelan is also special because of the feeling of PRIDE. PRIDE in academics, the arts and sports. Heelan cares about its students and staff and has been my extended family. It has supported me throughout a difficult battle with cancer for the past five years. You know a place is special when staff and students alike greet

you with "How are you today?" and mean it.

I'm proud to say I am a graduate of Heelan Catholic High School. I am proud to be the mother of a graduate of Heelan High School and I am especially proud to have been a member of the Heelan Staff for 15 years.
