Copies of the plan are available at each of the following locations:

- 2450 Lancaster Drive, NE, Salem, Oregon 97305
- <https://salkeiz.k12.or.us/parents/safe-schools/>

3. Testing Certification

Salem-Keizer Public Schools certifies that it is in compliance with all plan components, including any and all testing required by any part of the plan.

Testing Results

Salem-Keizer Public Schools is current with all required testing as of the date of this document. Test results can be found on the SKPS website at <https://salkeiz.k12.or.us/parents/safe-schools/>.

Salem-Keizer Public Schools will also alert members of its communities via ParentSquare where they can access test results using current district email lists and programs. Please contact appropriate district personnel to be added to current district email lists and programs.

Specific test results can be found as follows:

- Lead in Water: <https://salkeiz.k12.or.us/students-families/safe-welcoming-schools/healthy-safe-buildings>
- Radon: <https://salkeiz.k12.or.us/students-families/safe-welcoming-schools/healthy-safe-buildings>

4. Website Link Maintenance

Salem-Keizer Public Schools certifies that all website links for plan information and test results are current and functional.

5. Major Exposure Reduction Activities

Salem-Keizer Public Schools has not completed any major activities that resulted in reduced risk of exposure to hazardous materials since the last report.

We have, however, done some things related to ensuring that we do not have hazardous exposures.

- **Radon** - We have 9 schools with radon mitigation systems, for which we do regular testing. All schools' radon levels are below EPA's Action Level of 4.0 picoCuries/Liter.
 - Candalaria Elementary School
 - Cummings Elementary School
 - Four Corners Elementary School
 - Liberty Elementary School
 - Schirle Elementary School
 - South Salem High

- Sprague High School
 - Straub Middle School
 - West Salem High School
-
- **Asbestos** – All asbestos containing materials are properly managed. Therefore, there is not a risk of exposure.
