7 In the event of an accident or other emergency, the bus driver shall follow emergency  
8 procedures. A copy of the emergency procedures will be located in every bus. To ensure the  
9 success of such emergency procedures, every bus driver will conduct an emergency evacuation  
10 drill as early as possible within the first two (2) weeks of the first semester and within the first  
11 week of the second semester. Students must complete a bus safety drill regardless of whether
