

Position: Library Media Technician II	FLSA: Non-exempt
Department: Secondary School Level	Salary Grade: 15
Reports to: Principal or Designee	

OVERALL OBJECTIVE AND SUMMARY

Perform a variety of clerical and technical library duties in a secondary school library.

This is the second level in a library support career ladder. Incumbents at this level may support a District Library Media Specialist, Librarian or equivalent teacher and be assigned to a secondary school. Advancement to this level requires formal training sufficient to support higher levels of research and instructional support.

ESSENTIAL DUTIES AND RESPONSIBILITIES

- Responsible for the operation of a school library, with direction from the District Library Media Specialist, Principal, or designee.
- Assist students and staff with use of the library. Assist students in finding materials and teaching them to use various resources. Teach use of the library catalog system and the Dewey Decimal System.
- Assist in use of computers and programs - either typing (word processing programs) or searching for information and printing.
- Conduct in-service classes for students on topics such as general use of the library, periodical research, bibliographical search, Internet search, or use of electronic media.
- Work with teachers or District Library Media Specialist to select materials to support curriculum. Prepare purchase orders and other required paper work.
- Process new materials (books, media, textbooks or periodicals), enter into system, prepare for and enter into circulation (shelves).
- Develop and oversee various reading programs designed to stimulate student interest, ability and motivation in reading including story time, book talks or reading clubs.
- Assist in organizing and conducting periodic book fairs.
- Mend and repair books and non-book materials. Dispose of damaged or outdated materials according to established procedures. Conduct physical inventory of all library materials as needed.
- Maintain a well organized and attractive library setting. Design and construct library displays, bulletin boards, posters and signs. Maintain a clean and orderly environment.
- Operate a variety of audiovisual equipment in support of library services.

- Circulate, store, inventory, maintain, and make minor repair of audiovisual equipment.
- Demonstrate the use of audiovisual equipment used in education.
- Order books, periodicals, and other resources for library use following established District guidelines.
- Send notices, collect fines, and maintain associated records on lost, damaged, and overdue materials.
- May stock and sell various educational supplies related to the library. May collect monies and maintain records according to established procedures.
- Perform routine clerical and record keeping duties.
- Assists Librarian and/or Teacher in the operation of a school library including but not limited to circulation, reference, periodicals, media, and collection development.
- May oversee academic assistance programs, such as research and coordinating activities with teachers.
- Assist/oversee textbook operations, including ordering, processing, circulation, inventory, billings, and cleaning/repairing under the direction of supervisor.
- Performs other duties as assigned that support the overall objective of the position.

QUALIFICATIONS

Knowledge and Skills

- Requires knowledge of basic library methods, practices and terminology including use of library catalog systems and basic reference sources.
- Must understand the Dewey Decimal System of classification and basic cataloging methods.
- Requires strong communication skills.
- Requires research skills.
