Attendance Office
267-7502

Welcome to the 2023-2024 School Year!

This pamphlet was created to serve as a reference for parents in case their child has any attendance or lateness issues. Parent/Guardian(s) support plays an important role in the area of attendance. Our mutual goal is to make every attempt to ensure that your child attends each and every class—except when legally excused.

REPORTING LEGAL FULL DAY ABSENCES

If your child will be absent for a full day of school because of a legal absence, we request that a Parent/Guardian (s) call the Attendance Office before 9:30 a.m.

The phone number to call is 267-7502. Please indicate your child's name, grade, and the reason for his/her absence. If you do not call and your child is absent for any class periods of the day; that evening an automated phone call will be made to your home, work, or cell phone informing you of your child's absence.

REPORTING LATENESS TO SCHOOL

If your child will be late to school, your child is required to sign in late in the Attendance Office immediately upon entering the school. Each tardy student is required to have a **note** indicating the **reason** for the lateness and the **time** that the child left home. Failure to provide a note constitutes an unexcused tardy.

REPORTING EARLY DISMISSAL FROM SCHOOL

If your child needs to be excused early from school, a parent/guardian(s) is required to be present to sign out the student indicating the reason for the early dismissal. In emergency cases a phone call will be accepted. Please call 267-7502. In all cases, the students are required to personally sign the pink dismissal sheet in the Attendance Office. Leaving school without proper authorization (the Nurse's office, parent permission, etc.) will result in an appropriate disciplinary consequence.

GENERAL ATTENDANCE PROCEDURES

- Attendance will be taken during each class period.
- The Manhasset Secondary School uses an automated parent/guardian(s) notification system. This system will inform parents/guardians via an automated phone message of the student absence by class period and date on a daily basis.
- Parent(s)\Guardian(s) receiving phone calls are required to provide the attendance office with a note of clearance within a 24-hour period.
- Students who fail to provide a clearance note or a parent/guardian phone call within 24 hours of their full-day absence will be assigned an unexcused absence and may jeopardize their ability to make up class work and assessments for that day.

DISCIPLINARY CONSEQUENCES

Unexcused absences may result in disciplinary action consistent with the District's *Code of Conduct*. Those penalties may include, for example, detention or suspension. Students may also be denied the privilege of participating or attending extracurricular activities (Social Suspension).

PROGRESSIVE DISCIPLINARY CONSEQUENCES FOR UNEXCEUSED LATENESS & ABSENCE

Truancy - Students who are illegally absent for a full day without parental acknowledgement are required to meet with a building Administrator. Consequences may include in-school suspension, out-of-school suspension, extended social suspension, or multiple double detentions.

Illegal Absence(s) (individual periods) - Students are required to attend all classes. Students who are absent from class (without authorization, a note or pass) will receive a detention.

Illegal Lateness to Class - Students are expected to be punctual to class. Students who arrive unexcused to class (without a note or pass) will receive a detention after the third infraction. Any lateness in excess of fifteen minutes will be recorded as an illegal absence for

PARTICIPATION IN EXTRA-CURRICULAR ACTIVITIES

Students must be in attendance at school in order to participate in all district-sponsored activities (athletics, clubs, performing arts, dances, etc.). At the Secondary School level, each student is required to be in attendance for the entire school day in order to participate in any co-curricular or after school activities including, but not limited to, athletics practices or competitions, theater / performing arts practices or productions, clubs, concerts, dances or other events. On any day preceding a weekend or holiday, this requirement applies to playing in or practicing for sports competitions, performing arts events, or other co-curricular or school related activities during the upcoming weekend or holiday.

DOCTORS APPOINTMENTS

Appointments with doctors should not be scheduled during the school day.

LEGAL ABSENCES INCLUDE:

Excused absences are defined as absences, tardiness, and early departures from class or school due to personal illness, illness or death in the family, impassable roads or weather, religious observances, quarantine, required court appearances, attendance at health clinics, approved college visits, approved cooperative work programs, military obligations, medical visits that have been pre-approved by the principal or designee, or other such reasons as may be approved by the Attendance Review Team.

APPROVED COLLEGE VISITS

If a senior or junior attends a college visit during a school day, a form is required to be filled out and returned to the Attendance Office the next day. The absence will then be marked as a legal absence from school. The form is in the Attendance and Guidance Offices and can be downloaded from the school website.
