"TAKE YOUR CHILD TO WORKDAY" Parent /Guardian Consent Form

On **Thursday, April 25, 2024**, the Estell Manor School District and its employees will participate in the annual **Take Our Daughters and Sons to Work Day**. This event is held each year and was started as an enriching educational experience for girls and boys in order to expose them to what adults in their lives do during the work day, to show them the value of their education while linking it to the world of work, and to give them an opportunity to envision their futures. The theme for this year: Work in Progress. You are encouraged to take your child to work this day, and the day does not count as an absence with proper documentation in the form of this notice returned to the school.

_____ has my permission to participate in "Take Your Child to Work Day." I will make all of the necessary arrangements for my child's activities on April 25, 2024 and will be responsible for the safety and well-being of my child.

"TAKE YOUR CHILD TO WORK DAY" / EMPLOYER CONSENT FORM

Dear Employer: _____,

a student at the Estell Manor School District, has been given permission by his/her parent to participate in "TAKE YOUR CHILD TO WORK DAY. "This activity is in conjunction with the national observation of "Take Our Daughters and Sons to Work Day" on April 25, 2024. This involved a student's shadowing his or her parent for a day while observing at the work site. This will allow the student to recognize there is a relevance and need for school skills and subjects in the real world of work while expanding the student's knowledge and empathy for areas of responsibility and challenges his or her parent has on the job. It will also encourage parent involvement in career awareness.

It is necessary to obtain permission to allow the student to spend a day observing his or her parent at work. The visit is not intended to disrupt your employee's work progress. We hope that through your help, these employees of the future will develop a more realistic awareness of his or her future role and responsibility in the work world. Please sign this form to indicate your willingness to have the above mentioned student participate in "TAKE YOUR CHILD TO WORKDAY."
