## Our Mission:

Parents, Teachers, and Administrators of Bristol-Plymouth students partnering together to give the students increased opportunities for success by enhancing their educational experience and learning environment.

### Supporting Students:

Each year, we provide a scholarship to 2 graduating seniors. One goes to a student who is continuing their education in college and another goes to a student continuing into their trade. These are possible due to the fundraising efforts we facilitate throughout the year.

### Supporting Teachers:

Each year in the spring, we show our appreciation to the teachers at the school. We have provided them with lunch/snacks or a Teacher Thank You bag. In addition, we supply some gift baskets to raffle off. These are possible due to the generous donations of parents and fundraising efforts.
