CARES Act Combined Funding Application (REVISED) - CARES ActIntroduction/Instructions - Summary & Background

Page Last Modified: 11/23/2020

Background

On March 27, 2020, Congress passed, and the President signed into law the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act provides \$30.75 billion nationwide in an Education Stabilization Fund to prevent, prepare for and respond to the coronavirus, of which:

- \$13.2 billion is for the Elementary and Secondary School Emergency Relief Fund (ESSER) to support the ability of local educational agencies (LEAs), including charter schools that are LEAs, with emergency relief funds to address the impact that Novel Coronavirus Disease 2019 (COVID-19) has had, and continues to have, on elementary and secondary schools across the nation; and
- \$2.95 billion is for the Governor's Emergency Education Relief Fund (GEER) which provides grants to Governors for the purpose of providing educational agencies with emergency assistance to address the impact of COVID-19.

Governor's Emergency Education Relief Fund (GEER)

New York State has been allocated \$164.2 million under the Governor's Emergency Education Relief Fund (GEER). The entirety of New York State's GEER funds were programmed in the 2020-21 enacted New York State budget through the application of a "pandemic adjustment" to partially offset the state share of state aid to school districts. Pursuant to the direction of the Governor's Office and the Division of the Budget, GEER funding is being allocated to the State's 673 major school districts. GEER funds are not being allocated to LEAs that are charter schools, Special Act School Districts, or school districts employing fewer than eight teachers. These funds will be allocated to eligible school districts using the relative shares of grants awarded under Title I, Part A of the ESEA for the most recent fiscal year (2019-20).

Elementary and Secondary School Emergency Relief Fund (ESSER)

New York State has been allocated \$1.037 billion under the Elementary and Secondary School Emergency Relief Fund (ESSER). ESSER funds to school districts were programmed in the 2020-21 enacted New York State budget through the application of a "pandemic adjustment" to partially offset the state share of state aid to school districts. ESSER funding is being allocated all LEAs, including charter schools and Special Act School Districts, that received 2019-20 Title I, Part A subgrants. Pursuant to the terms of the CARES Act, Local Educational Agency (LEA) allocations were calculated using the relative shares of grants awarded under Title I, Part A of the Elementary and Secondary Education Act (ESEA) for the most recent fiscal year (2019-20).

Project Period

March 13, 2020 to September 30, 2022.

Project Numbers

The project number stems for each respective program are:

ESSER: 5890-21-XXXX

GEER: 5895-21-XXXX

These numbers should be used on the appropriate FS-10 budget form.

Submission Deadline

Completed applications are due by November 23, 2020 (with extensions by request), and will be reviewed on a rolling basis.

Submission Instructions

MT VERNON SCHOOL DISTRICT - 660900010000

Directions for Completing the Application:

- LEAs must complete all sections and are *required* to answer questions marked with a *red asterisk*. If a required question has not been completed, the business portal will highlight it in red and the section of the application will be flagged. The applicant will be *unable* to submit the application to NYSED for final review if a required question remains *unresolved*.
- FS-10 Budgets and Budget Narrative forms should be completed in a manner that clearly identifies and aligns proposed expenses.

Directions for Submitting the Application:

- The online application may only be submitted/certified by the chief school officer of the applicant LEA. The designated superintendent (public school LEAs), and the chief executive officer, board of trustees president, or school employee designated by the board of trustees (charter school LEAs) are the only administrators with the submit/certify rights necessary to successfully submit and certify a completed application for NYSED review.
- LEAs are NOT REQUIRED to send hard copies of general application materials to the Department.
- LEAs are REQUIRED to send signed originals and two hard copies of each FS-10 Budget Form to:

1. **In the space provided below, please describe how the LEA will determine its most important educational needs as a result of COVID-19 (150 words or less).**

The development of distance learning and distancing of children in house has forced us to adapt to the new learning environment. We expect this new environment will be with us for some time, so that we want to train teachers and all staff having contact with children to learn better methods to provide instruction whether in house or remote. We have had numerous meetings to determine what the children have missed as a result of closure and what we need to move forward. We are now confident in our ability to provide for our children in all learning modes.

2. **Does the LEA intend to use GEER funds to promote or support remote learning?**

Yes, the LEA intends to use GEER funds to promote remote learning.

- 2a. **Please select all that apply. PLEASE NOTE - All proposed expenditures related to remote learning must be reflected within the FS-10 budget form AND budget narrative to clearly align with this item.**

- Hardware (e.g. tablets, laptops, wireless router, hot spot, etc.)
- Internet/connectivity services
- Software licenses
- Professional development
- Other costs related to promoting remote learning (e.g. installation, distribution, insurance, technical support, etc.)

3. **In the space below, please describe how the LEA intends to assess and address student learning gaps resulting from the disruption in educational services (150 words or less).**

We have been working on determining what each child is missing and will continue to do this. We have plans in place to provide remediation for each child based on what is determined to be that child's deficiencies as a result of closure. Distance learning will be far better going forward now that each child has or will have a laptop. In house learning will be with fewer children allowing teaching and support staff to focus on the needs of these children. Then, the groups will switch and we will focus on the second group. A combination of in house and distance learning seems to be the way forward.

3. **In the space below, please describe how the LEA intends to assess and address student learning gaps resulting from the disruption in educational services (150 words or less).**

We have been working on determining what each child is missing and will continue to do this. We have plans in place to provide remediation for each child based on what is determined to be that child's deficiencies as a result of closure. Distance learning will be far better going forward now that each child has or will have a laptop. In house learning will be with fewer children allowing teaching and support staff to focus on the needs of these children. Then, the groups will switch and we will focus on the second group. A combination of in house and distance learning seems to be the way forward.
