Maintenance Update

- We have been going around the district to get the irrigation systems turn on. We have had a few leaks already.
- Receiving bids for upcoming project for the summer.
- Visited Sweet and Ola for some spring cleanup. Sprayed, weedeated, and mowed around the campus.
- Wright Brothers completed the ADA sidewalk for the bleachers at the High school.

Upcoming Projects

- Weight dome at EHS is in the works
- Wright Brothers were awarded the High School field project
- Restripe and reseal of the parking lots around the district.
- This summer I have been approved to remove the vinyl fencing at the High School and we are replacing it with slatted chain link fencing. The fence between the two domes will have EHS lettering in the middle.
- I'm hoping to perform some R&R on the bus line fence at the Middle School.
- Shadow Butte roof project is working through the start up process and will start as soon as possible.
- Roof project at the Food Service/Maintenance building.
- Adding a wall in the Butte View office area. This will create two more offices.
- We are looking onto numerous projects around the district for summer break.
