

Dear Berkshire School families,

For the 2024-2025 academic year, Berkshire School and E&R – The Campus Laundry, will partner to provide Laundry & Dry Cleaning services to all interested students. We are excited to announce new offerings that are available with E&R – The Campus Laundry at Berkshire School.

E&R – The Campus Laundry has been providing laundry services for over 100 years, including over 17 years at Berkshire School. With our laundry service, you will ensure that your student's linens are cleaned weekly, along with their weekly personal laundry, while providing a safer and healthier lifestyle for your student. Our environmentally friendly processing helps the environment by saving 86% in water, 68% in gas, and 82% in electricity over the use of washers and dryers on campus. In addition, we use GreenEarth Cleaning exclusively for all dry cleaning.

Our laundry plans are designed to allow your students to make the most of their free time on campus by saving between 80 and 100 hours per school year. We offer several efficient and practical programs. E&R has been providing professional laundry service to over 100 preparatory schools, colleges, and universities throughout the Northeast and has designed these plans to allow students to make the most of their free time. Please consider one of our plans.

We believe in providing students with ample time for Education and Recreation on campus, and our commitment to offering world-class laundry services reflects our dedication to supporting the overall well-being of students at Berkshire School. Additionally, we are proud of our involvement in local communities and remain committed to contributing positively to the areas in which we operate.

To enroll, visit our website **TheCampusLaundry.com** and select the plan that best suits your student's needs. The sign-up process is simple and will take just minutes. Additional details are provided on our website.

To summarize our programs highlights for students:

PROVIDING WORLD CLASS LAUNDRY SERVICE AT WORLD CLASS INSTITUTIONS

★★★★★

“We can’t say enough great things about E&R Laundry. We’ve used their wonderful service for our daughter at Dartmouth and received excellent service every single week. As the washers and dryers broke in her dorm a few times she was so grateful that she had this laundry service. We would highly recommend.”

“There are limited facilities in my son's dorm, he plays sports so often and only has 2-3 hours at most on Saturday or Sunday free, and that's when the demand for machines is at its highest. E&R is amazing for my busy son and gives him the time to focus on other things.”
