Dear Parents and Guardians:

I am excited to notify you about Mark Johnstun, an Outreach Counselor from Options who will be working with Rogue River School District. Mark will be working with us typically on Monday, Wednesday and Friday's, providing support with a variety of student services, including:

- Academic and Attendance Support
- Processing Conflicts
- Listening to Student Concerns
- Lunch Detentions
- Facilitating Restorative Conversations
- Small groups working on Social Skills

Mark is an employee of Options and not a RRSD #35 employee. He is not a disciplinarian but rather a support for students. Please let us know if you would like to have your student opt-out of meeting or speaking with Mark. We feel his service to our students will help promote our positive community and culture here in Rogue River School District. If you do not feel comfortable with having a licensed therapist speaking with your student, please know that you may opt out of his services.

It is important to us that your student does not miss academic time. Mark will work with students in a way that does not interrupt their education as much as possible.

Below is an Opt Out form that will allow you to opt out of having your student work with Mark Johnstun. Thank you again for your support of Rogue River School District and, as always, please let us know if you have any questions.

Sincerely,

RRSD #35

I would prefer that my student, \_\_\_\_\_, does not work with Mark Johnstun, Outreach Counselor, at this time.
