RRSD 35 - Elem West

Analysis Report

The following results pertain only to the samples submitted, and are for the sole and exclusive use of the above named client.

This report shall not be reproduced, except in full, without written approval of the laboratory.

The following accredited results meet all requirements of ISO/IEC17025:2005 unless otherwise noted by data flag indicators or comments.

The color coded key is only a guide for interpreting results. All evaluations should be compared to the limitations set by the EPA and/or your primary care physician.

Please do not hesitate to call to discuss results or ask any questions. We are at your service!

Sincerely,

Jessica Stark
Senior Chemist
