District Goals

The Rogue River School District is thrilled about our growth and improvement. Overall, our attendance, enrollment, and academic scores are up. We are aware of areas still needing growth and are eagerly working to improve them. We use multiple data sources to analyze our successes and areas for growth, then use best practices to drive improvement in all areas.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
