District Goals

The Rogue River School District is excited to be healthy and growing. We are a small district but one of the fastest improving Districts in Oregon. We have made significant investments in new curriculum and technology to better serve our students. We continue to offer and expand opportunities for our students to express their academic and personal individuality through our drama, music, art, agriculture and environmental programs to name a few. We also provide academic enrichment through collaborative opportunities with our local university and community college.

State Goals

The Oregon Department of Education is working in partnership with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
