

**BOYS & GIRLS CLUBS
C.A.M.P.**

September 4, 2018

Dear Parent/Guardian:

Hello, my name is Kurt Robbins. I am the Unit Director of the Boys & Girls Club C.A.M.P. – Chippewa Allied Mentoring Program. Our Club is a part of the Boys & Girls of Bay Mills, which has two other locations in Bay Mills and Brimley. Our Clubs are local, autonomous affiliates of the Boys & Girls Club of America. Our mission is to enable all young people to realize their full potential as productive, responsible, caring citizens.

I wanted to introduce myself to you and your child(ren) as I will be taking the place of Robert McRorie as he takes on a new venture in his life. The C.A.M.P. Club opening date is scheduled for Monday, October 1st.

We will begin renewing memberships at this time, and through the month of October. Our Club has moved with Malcolm High School, and we are located at the Soo Township School at 5788 M-129 Sault Ste. Marie, MI 49783. Club hours are from afterschool until 6:00 PM, Monday through Friday. We will be opening membership to youth in 4th grade through 12th grade. I am excited to be working with an amazing staff. Aurora Kelly will be returning to C.A.M.P. as a Youth

Development Professional, and joining her is Dakota Hurley, also a Youth Development Professional. Both Aurora and Dakota are Malcolm Alumni, and thrilled to be a part of the Club. We will be adding more staff as we continue to work towards increasing our membership.

The Club will provide free meals, homework help, and a variety of activities for Club members to participate in during Club hours. I will be sending out information via our Facebook page (Boys & Girls Club CAMP) as we finish up the planning for our Club opening. If you would like email updates regarding Club, please email me at krobbins@baymills.org to be added to our Parent Email list. We are currently working on updating our handbook, applications, and working out the important details, such as transportation, prior to opening on Monday, October 1st. I appreciate your patience and understanding during this time. I want our Club members to have a FUN and rewarding Club experience, and up to date information is an important part of the process.

I, along with the staff, are excited and looking forward to meeting you and our Club member(s) soon. Please do not hesitate to contact me if you have any questions.

Thank you,

Kurt Robbins
Unit Director
