Human Resources:

If you are interested in becoming a Sault Ste. Marie Area Public Schools employee, please visit [Employment / Employment Opportunities \(saultschools.org\)](http://saultschools.org). If you have any questions regarding job opportunities, please contact Kristen Hartman, Human Resources Administrative Assistant, at (906) 635-3839 extension 5010.

Below is a list of current job openings available with Sault Ste. Marie Area Public Schools:

- **Bus Drivers**
- **Paraprofessionals**
- **Middle School Boys' Basketball Coach**
- **Maintenance Mechanic - Maintenance & Grounds**
- **Full-Time Career & Technical Specialist Position - Manufacturing - Math**
- **Playground Supervisors**

MIStar Parent Portal Update:

As MIStar continues to improve security, they are implementing changes to the management of parent/guardian passwords. Beginning October 3, 2022, the MIStar Parent Portal will utilize one-way encryption for all contact passwords. With one-way encryption enabled:

- **New** parent(s)/guardian(s) will receive temporary passwords that require change at first login.
- **Existing** parent(s)/guardian(s) will be required to change their password upon next login.
- After the initial welcome email, parent/guardian passwords will not be sent via email. Contacts will self-manage login information via links on the ParentConnection login screen.
- District staff will not have access to parent/guardian passwords.

COMING SOON - Blackboard REACH:

We care about our students and understand the important role education plays in their future. We also know building strong relationships with students and parents is the foundation for a connected and supportive learning environment. This new communication tool, Reach, will help us facilitate meaningful conversations that can have a positive impact on student success through classroom updates.

We will provide more information regarding REACH once we have provided education to our staff.
