

SCIENCE LAB SAFETY RULES

1. Listen carefully and follow all directions.
2. Do not touch, taste, eat, drink or smell anything in the lab without permission.
3. Use all tools and materials correctly.
4. Report all accidents, emergencies or spills to the teacher.
5. Wear protective equipment when needed. Do not touch your face or eyes while working in the lab and wash your hands before leaving the lab.
6. Do your part while working and while cleaning up.
7. Always act responsibly in the science lab. No goofing off!

I understand that if I cannot follow these rules, I will not be allowed to participate in science lab activities.
