Welcome Class of 2028,

On behalf of the teachers and support staff of Sault Area High School and Career Center, I would like to take a second to welcome you. The next four years are extremely important in your student's education. We are anticipating an incoming freshmen class of approximately 180 students. Understandably, the transition from middle school to high school can be a stressful time for both students and parents. I would like to assure you that the teachers, counselors, administrators, and support staff are here to make the high school transition a seamless one.

In lieu of the traditional Freshmen Orientation, we have made videos and placed our informational presentations and sheets online for all to see. On Monday, March 18th, Sault High will hold a New Student Pop-In Session. Administration, counselors, and administrator assistants will be present to answer scheduling questions and help with online enrollment. This night is a great opportunity for parents and students to get assistance. If you are unable to attend, please email Ms. Kenn @ skenn@eupschools.org or contact the Main Office at 906.635.3839 x5819 for information.

Below are some dates that you may wish to place on your calendar for the start of 2024-25 school year:

March 9-13	Sault High scheduling meeting w/ Susan Kenn @ 8 th grade classrooms
March 9-13	Watch Course Videos Read Course Catalog Enroll your student online – if new to Sault Schools
