## Special Instructions/Considerations

1. In most cases, large-print test materials should be ordered only for a student with an impairment in vision.
2. The ordering process of large-print materials will be closely monitored to ensure districts are ordering only for those students who meet the eligibility criteria.
3. Student responses on large-print tests must be transcribed onto an answer document according to the procedures outlined in the Basic Transcribing and/or Complex Transcribing accommodation policies. If this is not done, the student's test cannot be scored.
4. Specific information about large-print test materials is available in the General Instructions for Administering Large-Print State Assessments document, located on the TEA's Accommodations for Students with Disabilities webpage.
5. Refer to the Font and Point Sizes Matrices located on the TEA's Accommodations for Students with Disabilities webpage for point sizes and fonts used on all state assessments.
6. If a student needs a test booklet in a larger print size than offered in the large-print test materials provided by the state, refer to the Photocopying Test Materials accommodation policy.
7. STAAR L and STAAR A are online testing programs. Technology-based accommodations for a student taking an online test enable most students who require large-print materials to test online. However, in rare instances in which the use of an accommodation is not feasible or appropriate for an online administration, or if the administration of an online test is inappropriate due to a student's particular disability, a special request may be made to TEA for approval to administer a paper test booklet. The request for a large-print paper test booklet, along with the reason this accommodation is needed for a student who meets the eligibility criteria in this document, should be included when a paper administration is requested. The paper administration request document for STAAR L and STAAR A can be found on the TEA's Coordinator Manual Resources webpage.
