¹ Support Vocabulary Development in Both Languages. While Reading Language Arts (RLA) is Spanish only in grades PK-1 and Science, Social Studies, and Math are delivered daily in one language, there is ongoing development of vocabulary for those subjects in the other language leading to Biliteracy. The LOD, BLCs, BRCs, and SVE are some of the essential best practices that are embedded for each core subject that allow for the development of Biliteracy.									
² Bridging Vocabulary through Specialized Vocabulary Enrichment (SVE), Bilingual Learning Centers (BLCs), Bilingual Research Centers (BRC), and Language of the Day (LOD)
