Purpose

Student Password Policy Change

In an effort to continue security measures with email and network access, new password policy change will take place on March 18th prior to the start of school that day. All student passwords will be mandated to follow the format detailed below.

Scope of Work

Student Password will be mandated to change according to the following schedule:

- Annually or every 365 days; auto reset to standard every year.

Requirements

Unique Passwords must contain characters from the following categories:

- 1 uppercase letters (A through Z)
- 1 lowercase letters (a through z)
- 1 number (0 through 9)
- 1 special characters (~!@#\$\$%^&* _+=`\|(){}[];":'<>.,?/)
- Minimum of 8 characters

Examples of acceptable ***Unique Passwords***:

Example 1: Lw#1234!

Example 2: #W1sdR0ck5

Potential Outcomes

There may be some outlying issues that will affect students and their ability to access certain district digital services; i.e.. wireless access via cell phones and other non-district issued devices.

Please make sure to put in a work order for assistance. Please make sure yours staff are aware of these requirements and that they are being adhered to
