

Registering Students for AccelerateU Online Courses

Log into our site: <http://accelerateu.org>

Step 1: Go to the **Students** tab and click **Add Student**, filling out all information. Please use actual student data.

Important: Separate Address Number from Address Street:

Click "[Click here](#)" to go to the student's account to request the course.

 Student was successfully created. [Click here](#) to go to this student's profile.

Step 2: Select **Requested Courses** and **Add a new course request**.

Complete all information, including student cell phone number, if allowed.

We also send an email to parents, informing them of an option to view the detailed gradebook.

Notes

- Unless we hear otherwise, we assume your district will pay for the course
- Courses cost \$770 per student/enrollment
- We invoice 30 days after enrollment
- For Regents science courses, let us know if the student needs labs or not
- Enrollments starting in May and June are invoiced at full cost, regardless of outcome
- Districts need to assign local staff to coach and assist students.

Course Request

Term:

Course:

Start Date:

Name of administrator approving enrollment:

Aidable cost of this enrollment:

Entry Reason:

Each one-semester course is 20 weeks in length.
Each one-semester course is worth 0.5 credit.
Please contact us if you require an adjusted end date.

For Regents Science courses – districts are responsible for supervising and documenting students' hands-on labs. The requirement is 1200 minutes of hands-on lab activities per course.

By checking this box, you authorize your district to be billed for this course by your local BOCES

I certify that this course has been approved by a school administrator

Enrollments starting in May and beyond are invoiced at full cost regardless of outcome
