Dear School Official,

It is our great honor to provide you with a framed copies of The National Motto in accordance with Texas Bill SB 797 signed into law June 16, 2021, and sponsored by our own State Representative, Charles "Doc" Anderson.

We are proud that our state officials are standing up for the values and history that have allowed our state and our nation to develop into a world leader.

We pray that your school and students will be blessed as you display this framed poster "in a conspicuous place" in accordance with Texas State law.

Sincerely,

Ramiro A. Peña

Sr. Pastor, Christ the King Church
