

P-TECH News | Future Educators Academy – 2022

April 2022

Teachers Needed

We are currently looking to hire academic Teachers for the 2022-2023 school year. We have posted applications on the Waco ISD webpage. We are in need of a Pre-AP/AP English, a Pre-AP/AP Math, and an AP Social Studies instructor. These teachers will also be Dual Credit facilitators for our 1st Cohort and Pilot.

Essential Intent

Waco ISD's Future Educators Academy is to grow, employ and retain a diverse teacher workforce that supports student success.

Seminar Fridays

Seminars are designed for students to talk about topics in education or lectures in detail, so students have to take an active part in the debate. The invited speaker will lead the seminars or the teacher might choose students to make a presentation.

Educational Pathways

- High School Diploma
- AAS Degree from MCC
- Enrollment and Graduate from Tarleton State University or Texas Tech through the University Center
- Earn your SBEC Teaching Certification

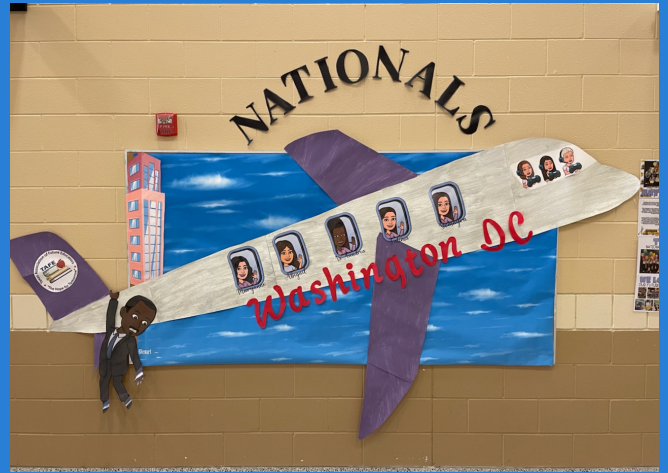

TAFE Highlights

We are so proud of all of our 30 students that competed at state.

UHS has 5 students advancing to Nationals in Washington, DC this June!

Work Based Learning (WBL)

- ▶ The WBL framework establishes Waco ISD objectives, provides a definition of work-based learning and a delineation of capstone experiences, demonstrates that work-based learning activities should occur beginning in early grades and continue through postsecondary education, explains the theory of work-based learning, and outlines the pillars of work-based learning success.

Education and Training Summer Institute

- ▶ The Grow Your Own Summer Institute is a robust three-day virtual conference to deepen the knowledge and understanding of the Education and Training curriculum under the Grow Your Own Program. The virtual conference is scheduled for July 18-21.

Summer Bridge and Summer Boost: June 13-16 and July 18-21

Based on student data from the TSIA 2 and the Clifton Strengthsfinder, ESC Region 12 staff will provide face to face instruction for incoming Future Educators Academy students. The focus will be on Reading Language Arts (RLA) pedagogy and team building. Students will transition between the role of the learner, gaining RLA content knowledge and future teacher, reflecting on the pedagogical moves that were made, throughout the face to face instruction. Team building experiences will be embedded to strengthen the cohort as a cohesive team.

June 17-July 17 (Self-Paced)

Students will receive personalized test prep and study materials with the focus on TSIA 2 English retest to complete at their own pace.
