

Eton Porny C of E First School Newsletter 36 – Summer Term 2

5th of July 2024

*We are all created unique and special.
He made us all perfect having our own uniqueness.*

1 Peter 4:10-11 "God has given each of you a gift from his great variety of spiritual gifts. Use them well to serve one another."

Dear Parents,

We've had a really busy week of learning this week and all of the children are very excited for our whole school transition day on Monday. The children will spend the day in their new year group and find out all about the exciting opportunities they will have in their new class. I look forward to having year four back next week and hearing all about their middle school transition days too!

In the final two weeks of term we still have lots of exciting learning and even a few school trips so please keep an eye out for communication about these.

Wishing you a lovely weekend, Emma Stanford-Smith (Headteacher)

LEARNING SNAPSHOT

Year 1 have enjoyed another great PE lesson this week. The children have been practicing their ball skills and enjoyed dribbling footballs and focusing on control. In Maths, the children have begun their new topic on time. They are enjoying reading Olga Da Polga in English and have completed narratives about why guinea pigs don't have tails! They are also working hard on their express event assembly!

Ask Me: What are the days of the week and months of the year?

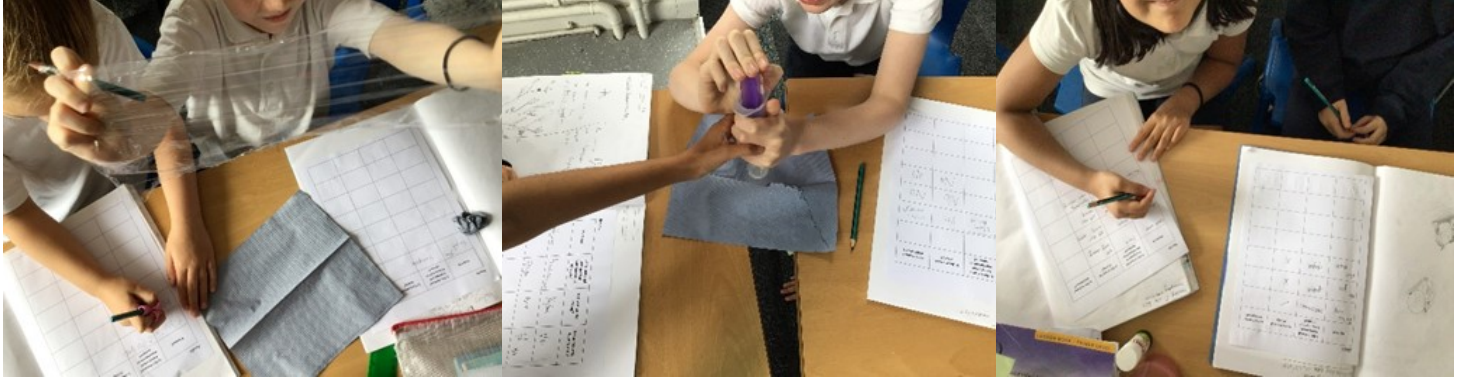

Year 2 have enjoyed learning about the lifecycle of butterflies this week. and have written some great reports about them The class caterpillars have all moved to the chrysalis stage and will be in the classroom from Monday next week. The children shared some excellent home learning linked to the stages of the lifecycle.

Ask Me: What are the stages of the lifecycle of a butterfly?

Year 3 read a collection of poems from the book 'A Nest Full of Stars', writing a descriptive poem, using metaphors and collective nouns. In DT, we researched different greenhouse designs to plan our own for our prototype. In Art, we have been drawing and investigating different plants, fruits and vegetables – observing and researching different artist's botanical work and using that to work in style. As keen mathematicians, we have started a new unit – Statistics, understanding how to interpret different graphs and problem-solve.

Ask Me: what material is best for roofing a mini greenhouse?

Year 4 children enjoyed a mini sports day at Thames Valley Athletics Centre. They took part in an egg and spoon race, sprint races, a relay and long jump. The following day Year 4 focussed on fielding and team work in our baseball lesson. In the classroom, Year 4, have been doing Maths problem solving and lots of clay work. Their Islamic clay tiles and their clay figurines will be coming home early next week. In music, Mrs Harris has been teaching recorder, with some impressive results.

Ask Me: What would I see in a piece of Islamic Art?

Reception have started their final project, Moving On, this week. We are talking about transition to Year 1 and how we are feeling. We have been creating a Reception Puzzle showing that we all fit together. We have been writing about what we are looking forward to in our new classroom. We have also been playing some exciting maths games, thinking about the ordinality of numbers to 10 and using vocabulary like 'one more' and 'one less'.

Ask Me: what do you like the most about your Year 1 classroom?

★ Sports Day Winners ★

A huge well done to the
GREEN
team who came first in the
sports day! You all did a
fantastic job.

PARKING

We appreciate that pick up and drop offs are a busy time on the roads outside but can we please remind you that it is illegal to park on double yellow lines and is very dangerous for pedestrians crossing the road.

FORTHCOMING DATES

12th July	Express Event– Reception - Y3 8.50
17th July	Year 4 Leavers Dinner
19th July	Year 4 Leavers Assembly 10:30and Picnic 11:15 Last Day Of Term 1.10 Finish

STREET TAG

Another excellent week and great to see that many families are settling into a routine with lots of walking, running and cycling. The big push next week is for those families with slightly lower scores. Every point counts, even if it's just the poly tag that you can collect at drop off and pick up. I will be on the gate at the end of the day to answer any questions, should you have any. In the meantime, keep going – we are doing so well.

Mrs Dewar.

CELEBRATION

The results of this week's celebration awards

ACHIEVEMENT AWARDS

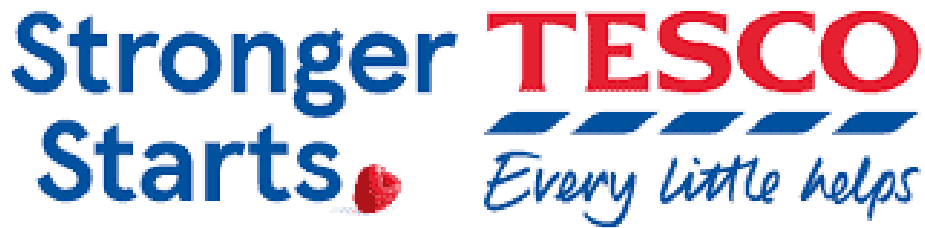

Reception: Yousaf and Thomas
Year 1: Barbara and Roisin
Year 2: Mia and Lucas
Year 3: Freya and Boris
Year 4: All of Year 4!

PUPIL OF THE WEEK

Reception: Lara
Year 1: Aliza
Year 2: Danil
Year 3: Alice
Year 4: All of Year 4!

A huge well done to all of these children.
We are really proud of you.

WE NEED YOUR HELP

Starting the first week in July our School is going to be one of the organisations receiving the blue tokens in Tesco. This will run until September.

The Project that wins will receive up to £1500 to go towards their chosen project

If we are one of the lucky winners the money will go towards swimming lessons for the children as we believe it is such an important life skill for children living in and around Windsor.

We really need your help with collecting as many Tokens as we can.

To vote, you will need to make a purchase within store of any value. You will receive one token per transaction and it's not necessary to purchase a carrier bag in order to receive a token. With the self service tills you can help yourself to tokens but if you use a manned check out you may need to ask for the tokens. You then need to pop your Token in the Eton Porny Collection point. You can vote as many times as you want up until the end of September.

Please Encourage Friends and Family to join in whenever they shop at Tesco.

Here is a list of the stores where you will be able to vote:

- Windsor 3211 Slough Express SL3 7HR
- Windsor 2972 Langley Slough Express SL3 8BB
- Windsor 6092 Datchet Express SL3 9HW
- Windsor 4460 Windsor Peascod Street SL4 1EA
- Windsor 6742 Windsor Express SL4 3QL
- Windsor 3404 Windsor SL4 4JT
