Little Flower Union Free School District is a Special Act Public School for students with special educational needs. Little Flower School provides both residential and day placements for children in grades 3 through 12. Our faculty and staff are specially trained to support the instruction and behavior of students with learning and emotional disabilities, and students who are considered at-risk youth. As a special act school, our budget is limited to tuition rates, we do not benefit from a tax base, and the school receives only nominal funding through state aid and federal grants. Our students have access to very few outside resources. In an effort to provide the most meaningful education possible, the **Little Flower Educational Foundation** was formed.

Registered and recognized as a charitable organization with the IRS under Code 501(c)(3), the **Little Flower Educational Foundation** organizes several fundraising events throughout the year, posted to the Little Flower UFSD website, littleflowerufsd.org, and has an open fundraising campaign all year long to accept general donations. The raising of **Foundation** funds allows us to provide additional opportunities and activities for our students such as educational experiences, recreational outings, field trips, rewards as part of our positive behavioral intervention and support (PBIS) program, and daily incentives to engage our struggling students.

All funds raised go directly to the **Foundation** and are used solely for programming to benefit the children. Our goal is to provide a positive academic and behavior program for our students to promote their success. Any donations are greatly appreciated and yield tremendous benefit for the students at Little Flower School.

Little Flower Educational Foundation, Inc.'s tax exempt ID is 31-1752211 and a copy of our IRS determination letter can be provided upon request, as donations are tax-deductible under IRC Section 170. Should you be interested in making a donation, checks may be sent to:
