

2024 – 2025 3rd Draft Budget Presentation

Board of Education
March 25, 2024

The mission of the Grand Island Central School District is to **inspire** all students to achieve their highest potential by fostering academic excellence, personal growth, and social responsibility.

Budget Goals

- Develop a long-term sustainable budget designed to provide the best diversified educational program for all students (UPK Through Grade 12).
- Retain all community mandated student programs and activities.
- Protect the fund balance.

5-Year Strategic Plan Goals

To steward the District toward improved services and support that foster the **wellness and behavioral health of students**.

To continue to work with other District stakeholders to improve the District's **connectedness** to the Grand Island and Western New York communities.

To make **inter-building communications and practices** as seamless as possible.

5-Year Strategic Plan Goals

To foster a level of **academic achievement** emblematic of championship school districts.

To ensure the completion of all **curriculum maps** while fostering expansion of the **STEAM curriculum**.

To review, revise and expand **benchmark assessments** as appropriate.

Teacher Retirements

Currently we have 4 GITA members set to retire and we are reviewing each position to determine the need to fully replace, partially replace or reduce by attrition.

Under Consideration:

Secondary Spanish – 1 FTE Replace

Secondary Guidance Counselor – 1 FTE Replace

Secondary Science Teacher (MS)– 1 FTE Replace

Elementary Teacher (K)– 1 FTE Reduce by Attrition

2024 – 2025 Proposed Budget

Revenues	\$ 77,111,682
Expenditures	\$ 77,111,682
<u>GAP w/ New Request</u>	<u>\$ 244,537</u>

Governor's Executive Budget Recap

- **Foundation Aid: \$507 Million (2.1%) increase**

This increase is driven largely by the formula's inflation factor, which the Executive Budget sets at 2.4 percent, representing the average annual change in the Consumer Price Index (CPI) over the last 10 calendar years (2014-2023), excluding the highest and lowest years.

- **Expense Driven Aides: \$318 Million (3.2%) increase**

Fully funding expense-based aids (BOCES, textbook, software, library, computer hardware and technology, supplemental public excess cost, transportation aid, public high cost excess cost and private excess cost)

- **Preschool and Summer School Special Education Programs- \$36.5 Million (10%) increase**

The Executive Budget fully funds the State share of costs for both programs, continuing \$1.0 billion to reimburse counties for the cost of preschool special education services and providing \$404 million, a \$36.5 million (10 percent) year-to-year increase, to reimburse school districts for the cost of summer school services.

- **Special Education Tuition Rate-Setting Reform**

Funding for preschool and school-age special education providers is determined through a ratesetting methodology administered by SED. These providers serve approximately 80,000 preschool children year-round, 50,000 school-age students during the summer, and 14,000 school-age students during the school year. As requested by SED, the Executive Budget provides an additional \$1.4 million for SED to study and design a new special education tuition rate-setting methodology in order to streamline and improve the timeliness of tuition rates for providers, bringing total available project funding to \$3.9 million. The Executive Budget also extends the deadline for SED to present its recommendations from July 1, 2025 to July 1, 2027.

- **School Food Programs \$11 Million (5.8%) increase**

Approximately 5,000 New York State schools currently participate in the national school lunch and breakfast programs, serving approximately 2.8 million public and nonpublic school students statewide. The Executive Budget provides over \$200 million in State funding for these programs, an \$11 million (5.8 percent) year-to-year increase. The Budget continues the FY 2024 State-funded initiative to incentivize qualifying public and nonpublic schools with significant proportions of low-income students to participate in the Federal Community Eligibility Provision program, allowing all students in those schools to eat breakfast and lunch at no charge regardless of their families' income. This initiative will enable up to 90 percent of New York State's students to eat for free.

Capital Outlay Plan

- Capital Outlay \$100,000 Project

- The District is planning to annually participate in a capital outlay project. The project cannot exceed \$100,000, and the district may receive aid for a maximum of one such project each year. The appropriate building aid ratio will be applied to reported expenses to determine aid.

- Possible Projects

- Classroom door card access
 - Heating/circulation/controls
 - HS/DO/MS hallway doors
 - HS roof
 - Paving elementary buildings
 - Fuel Island
 - MS RTU 18N replacement
 - Huth Road roof

Capital Outlay project for 2023-24 and 2024-25 is to install access controls on the interior doors at Kaegebein Elementary

Proposal for \$250,000 Capital Outlay Projects. This would be something we request in future budgeting cycles to assist with capital work in all buildings
