School District of Auburndale DISTRICT MIRROR

Our Mission: To provide a safe environment to encourage the desire for life-long learning and success utilizing resources effectively and efficiently.

VOLUME XXXVIII

No. 4

JUNE 2020

From the Administrator's Desk

by Mr. James Delikowski

Warm Summer Greetings Auburndale Families!

It's been a Spring like no other for all of us here at the school district. We have missed seeing our students, our staff, and our community members in our buildings for nearly three months and that has certainly been trying on all of us. We have experienced greatness, kindness and perseverance too; our Food Service continues to feed our students through the end of June, our teachers continued to work, harder than ever for many, to provide as much education as they could for our wonderful students, we have supported farmers through our Dairy Drive, held Senior Cap and Gown day, honored our students, and so much more. I am prouder than ever to lead this amazing district, a school and a community that continues to show the grace, the wisdom, and the tenacity of our bold new mascot, GO EAGLES!!!

Community Wide Survey

You should have recently received a survey in the mail regarding planning the school district and school board have been working on for over a year. We want to hear from you! We want to continue to provide the best education around for our students and there are questions we have brought to you in this survey to gauge your support and willingness to help us see some of these projects through. We understand that there are many unknowns right now for all of us, and that is true for our district as well. We continue to honor your gracious support for our district and our greatest asset, our students. Please take a few minutes to take the survey you received, either through the electronic link, or by using the paper form itself. If you need extra copies for another adult in your household, please let us know. Thank you for taking the time to give us your feedback.

Plans for the Coming School Year

I know we all have questions about what school will look like in September. This has been one of the hardest burdens that this virus has brought our way. I can promise you, after having witnessed the greatness of our staff, students and community over the past three months, that we will take whatever comes and do great things despite the challenges. I am meeting with Wood County officials and all county school district administrators next week to continue planning for the coming school year. We intend to start instruction on September 1, 2020, and hope to hold that instruction on our campuses and in our buildings as much as possible, while also doing absolutely

everything we can to keep our students and community safe. That means we have to remain open to the possibility of some virtual instruction, or periods of fully virtual instruction, depending on the circumstances. We intend to work extremely hard over the next weeks and months to have several options fully planned out, so we can be ready to respond to several eventualities. We will certainly keep all of you posted as these initiatives develop.

Thank you again for all of your support for our students, our staff, and our district. This has been the greatest community to work in since I started here over five years ago, and now, more than ever, it is clear that this community and school district rises above the rest and will continue to soar to great heights. We Are Auburndale! We Are Proud!!!

- Text 'food' to 877-877.

Elementary School Report

by Mr. Andy Scharenbroch, Principal

It has been quite a school year to say the least! I cannot believe it is the end of another school year. I want to extend a big thank you to everyone from parents and students, to the amazing staff at Auburndale Elementary School in helping, teaching, and learning during our COVID-19 experience! Your patience, flexibility, and understanding are amazing! During these summer months take a moment to get out and enjoy nature along with a good book. When you come back to Open House in August we will be ready to go with another school year full of fun, smiles, and learning! We cannot wait to see everyone again and I hope you have an amazing summer with family and friends! Stay well!

Auburndale Middle and High School Report

by Mr. Steven VanWyhe, Principal

Greetings Auburndale School District Families!
I know this school year did not end like anyone was expecting. As we transitioned to virtual learning, we learned a great deal about the importance of education in our district. Thank you to all of the parents and guardians who supported their children during this time! Education extends well beyond the school walls in Auburndale.

The end of the school year is always bittersweet. It is tough to see our seniors leave, but it is also exciting to see them prepare for their next stage in life. This group of seniors did not get the end of the school year they deserved, as I know many looked forward to their spring sports season and the end of the year. However, they handled the situation very well, and it will certainly make them stronger.

The next months will be spent on creating plans to return to school in the fall. While there are still some uncertainties, one thing is for sure, we will continue to provide a great education to the students of our district, while keeping them safe. Thank you for all of the support!

Go Eagles!

HELPING HANDS DAYCARE

Helping hands daycare is offered as a separate program outside of the school district's curriculum and educational programs. It is offered after school until 5:30 pm on all in school days. If you would like to use the helping hands daycare please complete the forms and send them to the district office C/O helping hands before August 25th. We are on a first come first serve basis we will accept the first 45 kids, after that you will be put on a waiting list. You can also find our application on the district website.

Dairy Drive: Feed Our Families

The Auburndale Leadership Class and the Auburndale FFA began the Dairy Drive: Feed Our Families to help the dairy industry move products and to feed families within the School District of Auburndale. The Dairy Drive bags were provided on Thursdays from 11:00 am-1:00 pm as an addition to the meal program the district is providing distributed at the Auburndale Elementary School. The Dairy Drive: Feed Our Families provided Weber's Farm Store Milk and cheese products from local factories, for the last seven weeks of school. Other products also included were butter, potatoes, eggs, pork sausage, hamburger, Kefir, and ice cream. Products were also distributed to food pantries and social care centers in south and north Wood counties, Meals on Wheels for all of Wood County, and home-delivered meals for Aspirus and Marshfield clinics. Due to the overwhelming support from our communities, the Dairy Drive: Feed Our Families will continue into the summer! If you are interested in donating to this program please make checks payable to AHS and send to

Congratulations to the band seniors. This photo is from senior pep band night. Good luck in your future endeavors Aly Sebald, Lillian Onsager, Sarah Karl, Morgan Grassl, Justin Peplinski, Natasha Neve, Abby Koopman, Hannah Schulte, Matt Ertl, and Ian Lang. Three of these seniors received top awards in band this year: Justin Peplinski-Louis Armstrong Jazz Band Award; Natasha Neve-Director's Award; Sarah Karl-John Phillip Sousa Band Award.

Congratulations to these four students who attended the UWSP Honor Band in March. They spent two days rehearsing and gave a wonderful concert. They worked with a composer who wrote all the music they performed! Way to go Ashley Esser, Sarah Karl, Lillian Onsager, and Natasha Neve!

Auburndale Elementary Art students kept busy during our quarantine period. Here is a sampling of some of their work. To see more, go to our Artsonia web gallery link: <https://www.artsonia.com/schools/school.asp?id=13373> or go to Artsonia.com and type in Auburndale Elementary. Boys' Basketball

The varsity boys basketball team completed their season with a 20-5 record. The boys finished in 2nd place in the ultra-competitive Marawood South Conference. We beat Phillips and Edgar on our home floor for our first two playoff games and won the Regional Championship. Then we traveled to Wausau West and played Marawood rival Stratford in the Sectional Semis. Stratford played extremely well and we were not able to move on.

We had several players recognized for Marawood South All-Conference honors. Cooper Weinfurter was named to the 1st Team Unanimously while Fletcher Raab and Hunter Wright earned 2nd Team honors. Cody Trowbridge and Schuyler Gilhausen were named Honorable Mention. Cooper was also voted Co-Player of the year in the conference. Cooper was also voted to the Channel 7 All-Star Team for the second time and 1st Team All-State for Division 4 by the WBCA. He also had the good fortune of being selected for the WBCA All-Star Game this summer.

Cooper became our all time leader in three-point shots made with 165. The previous record was held by Colton Wright with 163. He also finished 5th in scoring, 2nd in steals, 9th in rebounding, 3rd in consecutive starts and 2nd in assists all time. Fletcher ended his career tied for 5th in three-pointers made with Matthew Nikolay at 122. Hunter finished his junior year at 21st in assists and 24th in scoring.

Members of our program include the following:

Seniors – Fletcher Raab, Cody Trowbridge, Jason Wilcox,

Dylan Paun, Paul Kollross, and Cooper Weinfurter

Juniors – Kaden Hoffman, Schuyler Gilhausen, Carl

Lundgren, Hunter Wright, Mateo Alvarez Fernandez, and Cade Krings

Sophomores – Terrance Roberson, Noah Schultz, Austin Quinlan, and Gavin White Eagle

Freshmen – Charles Jewell, Alex Willfahrt, Ian Brown, Lucas Yeske, Trayton Weber, Conner Brandl, Mason White Eagle,

Mason Rachu, Jase Katzenberger, and Timothy Schmitt

The JV team finished with a 20-2 record and the freshmen finished 11-2. Coach Klawitter and Coach Marth did an outstanding job with our underclassmen. I'd also like to thank Coach Gehrke for everything he did for our team this past season.

We would like to thank all the people who supported our teams throughout the season. It means a great deal to us to have such great fans throughout the season. Go Apaches!

Coach Weinfurter

Veterans on Main Class of 2020

On behalf of the Auburndale Community Leadership Class, we are honored to present to you the Auburndale Veterans on Main Class of 2020. The Veterans on Main include 22 veterans ranging from World War II to present-day service. We hope as you drive down Main Street that you reflect upon the service and sacrifices of our honored local veterans. Veteran banners begin on Main Street from the military tank to North Road. The Auburndale Community Leadership class has enjoyed the process of assembling the honorees of the Class of 2020 and look forward to helping our communities honor future Veterans in the years to come. We look forward to supporting our veterans through this program by sponsoring local veterans on the Never Forgotten Honor Flights, as well as our local Veterans Duck Trip and eventually a Veterans Memorial. Veterans on Main books are available at Auburndale area businesses and contain all honorees plus messages of hope and stories of our classes veteran initiatives. If you are interested in sponsoring a veteran for the Veterans on Main Class of 2021, please contact Joren Anderson at janderson@aubschools.com or Mark Cournoyer at mcournoyer@aubschools.com for more information.

COVID - 19

.Dear Parents and Guardians,

I hope this finds all of you healthy at the end of a most unusual school year. Kris and I would like to extend "Congratulations" to all of the Seniors and wish them the best of luck in their futures.

Here are a few reminders for the upcoming school year.

According to the Wisconsin Department of Health Services vaccination rates have decreased in the state of Wisconsin since March. If these trends continue it will have a tremendous effect on herd immunity, with an opportunity to spread preventable diseases. As the state of Wisconsin starts to reopen I encourage you to contact your local doctor for well visits and immunizations.

____ Please check your students immunizations with your Doctor or go to Wisconsin Immunization Registry at <https://www.dhfs.wisconsin.gov/PR/logoff.do>. Click on Public Immunization Record Access and fill out information to see your child's immunization record.

____ Students entering the 6th Grade will need to have the Tdap booster. Once done please send a copy of immunization to the school.

____ If your child will continue to need medication at school next year, have physician fill out appropriate Medication Administration Form, with signature of Doctor and parent and

fax/bring to school prior to the start of the next school year. If this form is not filled out medication can not be given.

453.6 - MEDICATION ADMINISTRATION PROCEDURES

____ If your child currently has a Health Care Plan, please have the provider fax new orders to the school your child will attend or bring a copy to the school office, so their Health Care Plan can be distributed and updated before school starts, as required by law. Please let us know if you have any questions.

____ If your child has orders related to Asthma, Diabetes, a Life-Threatening Allergic Reaction, or Special Dietary Needs from their health care provider, we will need updated orders for next year. Please have the provider fax new orders to the school your child will attend next year or bring a copy to the school office, so their Health Care Plan can be distributed and updated before school starts, as required by law. Please let us know if you have any questions.

SUMMER SAFETY TIPS

Make sure children are in the proper seat in the car:

- As the child grows the seat will change.
- Infants should be rear facing until the age of 2 or longer
- All children in the back seat until they are at least 13 and can properly wear a seat belt
<https://www.safekids.org/>

Check out the CDC website on making summer safe for kids
<https://www.cdc.gov/family/kids/summer/index.htm>

Make sure children are wearing proper gear for activity:

- Life jackets while on the water
- Helmets while riding a bike
- Sunscreen of at least 15 SPF with UVB and UVA protection
- Mosquito and tick repellent

As always, we hope you have a fun and safe summer.

Remember to: cover your cough, wash hands frequently, and stay home if you are not feeling well.
