

## An Update from the District Office

We hope you're enjoying the warm Fall so far. Here are a few updates of things that are going on in the School District. As always, if you have any questions please feel free to call us at the District Office, 715-652-2117.

### **Homecoming Was a Great Success**

Another Auburndale Homecoming is in the books, and it was a great success. The Court represented the district well, the football team beat a state ranked team from Abbotsford, and the students shared a great amount of school spirit through decorations, games, and a beautiful, if rather wet, parade.

### **Building Project Updates**

As improvements are wrapping up in the interior of both buildings you will notice that exterior work is really picking up. The scaffolding and concrete block at the high school are the above ground work to get our new exterior addition going, and the windows at the district office which replaced 57 year old ones, make the whole building look more modern, and far more energy efficient.

### **Updated Website Coming Soon**

The district is working on updating our website to make it more user friendly and to be better suited to be used on mobile devices. We are working through training and preparing the updates, hoping for a roll out of the new website over winter break.

### **Full Time Custodial Position Open**

The District is in need of a full time evening custodian, hours are 2:30pm -11pm. This position comes with benefits. If you know of anyone who may be interested, please help us spread the word!

## **COVID-19 Rates Steady in the District**

We currently have 14 students or staff ( c. 1.5% of students) that are quarantined due to testing positive for the Corona virus. This number has grown slightly over the first month of school and steadied at or around 1 to 1.5%. We are watching closely to make sure that it does not continue to rise. Our efforts to follow Wood County guidelines on quarantining close contacts has slowed the spread of the virus in our district, and vaccination rates of students have risen since the start of the year. We continue to hope, and to do what we can, to get to the other end of this health issue as soon as possible.

Once again, feel free to call me at the District Office, any time, if I can answer any questions for you. It's gonna be a great year!

Sincerely,

Jamie Delikowski  
District Administrator  
School District of Auburndale  
715-652-2117
