

An Update from the District Office

Welcome back to a new year of school. We want to take this opportunity to send out a few updates and reminders to all district families and our entire community. Our goal is to send out “District Updates” monthly when school is in session, or more often as needed. Nothing lengthy, just a few highlights to communicate the news you might want to know. As always, if you have any questions please feel free to call us at the District Office, 715-652-2117.

Free Breakfast and Lunch for ALL Students

The USDA has again offered all schools the opportunity to provide free breakfast and lunch for ALL students in public schools, for the 2021-2022 school year. We encourage you to take advantage of this opportunity. (Additional entrée will be charged.)

Community Coffee Clutch is Back!

The Community is welcome to attend this event every first and third Wednesday of the school year, from 8:00am -9:30am starting September 15, in the Tim Anderson Gym lobby. These events are multifaceted means to increase communication with our community, and offer all community members many chances to see and experience what the district does to educate and train our youth for success.

Veteran’s Coffee Club will also start again on September 14, running the second Tuesday of each month.

Building Project Updates

The building plans remain on track for completion at the end of the first semester, as was intended. I know many of you have seen the playgrounds and some of the external prep work. Interior upgrades and renovations are going very well, and the final piece of the project will be the tech ed addition and greenhouse, which you should start seeing in November. Thank you for your support on these wonderful improvements to our facilities.

Full Time Custodial Position Open

The District is in need of a full time evening custodian, hours are 2:30pm -11pm. This position comes with benefits. If you know of anyone who may be interested, please help us spread the word!

Once again, feel free to call me at the District Office, any time, if I can answer any questions for you. It's gonna be a great year!

Sincerely,

Jamie Delikowski
District Administrator
School District of Auburndale
