## From the Administrator's Desk

by Dean Sanders

I want to thank the students, staff, and community of Auburndale for a great school year. I believe that the district has improved on it's test scores, will move forward with their curriculum in the next couple of years, and will continue to look to the future of believing that all students can learn and that each student is unique and important. The Board of Education in Auburndale has shown great leadership this year and has proven time and time again that children are the most important reason that they are on the board and that they care about all the students. My year in Auburndale has been one of the best of my career, and again, I want to thank everyone involved in the school for that. Have a great summer!

## Middle/Senior High School

by Mr. James Delikowski, Principal

Warm Summer Greetings Auburndale District Community,

I am so excited to write to you not only as your middle and high school principal, but also as your imminent District Administrator! I have learned so much about how to better serve the Auburndale district over the last four years and am eager to begin this new role in what I know will be a long future with you here. I've recently finished working on a three year degree program in school district leadership and look forward to utilizing some of the many lessons I learned there. I want to especially thank Mr. Sanders for his great work this year and personally thank him for all that he has taught me about how a great District Administrator leads a school district. We'll miss you Mr. Sanders!

I also want to welcome Mr. Steven VanWyhe to our team as the new Middle and High School Principal. Mr. VanWyhe has many years of experience as a middle and high school principal and is a native of our district and graduate of Auburndale! I am certain that Mr. VanWyhe will be an excellent addition to our administrative team and am more than comfortable handing the reins over to him this summer. Please welcome him home when you see him and show him why we are so proud to be Auburndale! He will find a lot of help in the new role that Mrs. Tracy Neve will be playing as our district Curriculum and Instruction Director and Middle and High School Dean of Students. Mrs. Neve will continue to serve as our instructional technology coach as well. I know it sounds like a lot, but if anyone is capable of doing all of that with excellence it's Mrs. Neve!

I hope you were one of the many hundreds in attendance at this year's graduation ceremony. The seniors did a great job and showed the same class in ending their time here as they exhibited while here. Their speeches focused on hope and on a gratefulness for all that Auburndale schools have done for them. They spoke of the excellent teachers and staff that are a big part of what makes this such a desirable district to be a part of. We will miss those wonderful kids filing through our hallways

and classrooms every day, but we will also watch the awesome people they'll continue to grow into. Congratulations graduates and their families!

Have a great summer everyone. I look forward to seeing you in our buildings, out in the fields, shops and barns, or just passing on the street. I continue to be so grateful to you, our students and our district community for making Auburndale home for me and for all of us here in the district serving you and our future.

We Are Auburndale! We Are Proud!!!

## **Elementary School News**

by Mr. Andy Scharenbroch, Principal

The school year has come to a close and it's time to hit the beach, but before we do we need to say a big THANK YOU to everyone at Auburndale Elementary School who made the 2018-19 school year a success! A school doesn't happen because of individuals; it happens because of a team! The students accomplished a great deal and there was lots of positive growth both in academic knowledge and social development! Everyone working together made the year the best yet! Our 4K students now know their upper and lower case letters, our K and 1 students are reading more and more, and our 3-5 students have had a blast with our new science and fun experiments. As a school, we look to continue to tradition of Exceeding Expectations on our state report card. We also talked a lot about showing good character and being the best we can be! Through hard work and perseverance so much has been accomplished. I would like to also say a thank you to all of our volunteers for their time and talent too. As we close the doors on another year, a summer awaits that is full of fun and learning! Keep reading, keep writing, and always ask questions to find out how and why. The building will be ready for new and exciting things as we open the doors in August and get ready for another adventure in learning and growing! Remember to please watch for email updates as we get closer to the start of another awesome year of learning and having fun!

May your summer be full of relaxation and fun!

Mr Scharebroch

## **Choir Notes**

On April 15th, the Middle School & High School Choirs traveled to Edgar to perform in the Large Group Choir Festival. Both choirs performed selected pieces before a panel of three judges and were rated against a set of criteria. The Middle School Choir received a first place rating and the High School Choir received a second place rating.

Two choir students, Cierra Sjoman and Autumn Salzwedel, qualified to perform their vocal solos at the State Solo & Ensemble Festival which took place at U.W.- Stevens Point on May 4th. Cierra did a Musical Theatre piece and Autumn did a solo for Alto voice. Both girls received second place awards at State!

The Middle and High School Choirs held their Spring Concert on May 16th. Besides singing their well prepared pieces from Large Group, they also performed their favorite popular tunes. Awards were given out for all of the Solo & Ensemble events the students took part in this year.

Additional awards were given to:

**Letter Award Winners** - (earned by getting 30 pts in choir activities) Delayna Baird; Megan Baxter, Ashley Esser, Victoria Hasenohrl, Lily Kloos, Kittana Nagel, Elizabeth Peplinski, Chloe Rennhack, Carly Willfahrt, Skyler Wolff

**Pin Award Winners** - (for every 20 pts beyond letter a pin is earned)

1st Pin: Katelyn Peplinski and Autumn Salzwedel

2nd Pin: Anna Kollross

3rd Pin: Brittany Bradley, Cheyanne Nothnagel and

Cierra Sjoman

## **Directors Award -**

## **Elementary Music Notes**

Kindergarden learn to play bells in music class but when the teacher talks they have to put up their "antenna"!!

Elementary music students pose with the beautiful new rug they received which was paid for by a donation from a community member! They love playing music games on it!

Elementary music classes enjoy "springing" as they listen to the song "Spring". It is a play on words between the season "Spring" and the spring that goes "Boing-Boing"!!

## **Auburndale Volleyball Camps** and Skill Practice

Auburndale Volleyball Camps will run from July 15-18 in the Tim Anderson Gymnasium. Forms can be downloaded from Mrs. Empey's school webpage. Contact Coach Empey with any questions at 715-652-6887.

\*\*Volleyball Skill Practice runs from 4:00-6:00 p.m. on Sundays throughout the summer in the Tim Anderson Gymnasium. All Auburndale girls entering grades 6-12 are welcome.

## Middle School Math League by Mrs. Raab

The middle school participated in a math league competition at Pittsville on April 26, 2019. Out of 136 participants Julia Kumm placed 3<sup>rd</sup> and Kimmie Lundgren placed 12 receiving medals. Matthew Bohman placed 1<sup>st</sup> in the mixed team STEM event. Other participants were Adam Kundinger, Liz Becker, Elexa Cooley, Ashley Bravener, and Amy Krumenauer.

## Boys' Basketball

by Coach Weinfurter

They varsity boys basketball team completed their season with a 19-6 record. The boys finished in 3<sup>rd</sup> place in the always competitive Marawood South Conference. We beat Spencer and Thorp on our home floor for our first two playoff games and won the Regional Championship. Then we traveled to D.C. Everest and played Marawood rival Marathon in the Sectional Semis. Marathon played extremely well, and we were not able to move on.

We had several players recognized for Marawood South All-Conference honors. Colton Wright and Cooper Weinfurter were named to the 1<sup>st</sup> team unanimously while Carter Wilcott and Hunter Wright earned honorable mention. Cooper was also voted to the Channel 7 All-Star Team.

Colton became our all time leader in three-point shots made with 163. Mike Huser held the previous record with 150. He also finished 9<sup>th</sup> in scoring, 7<sup>th</sup> in blocked shots, 19<sup>th</sup> in rebounding, and 17<sup>th</sup> in assists. Cooper finished his junior year at 3<sup>rd</sup> in assists, 6<sup>th</sup> in steals, 6<sup>th</sup> in three-point shots made, 12<sup>th</sup> in scoring, and 23<sup>rd</sup> in rebounding.

Members of our program include the following: Seniors – Colton Wright, Carter Wilcott, A.J. Schertz, and Aaron Marth

Juniors – Fletcher Raab, Cody Trowbridge, Jason Wilcox, Dylan Paun, Paul Kollross, and Cooper Weinfurter

Sophmores – Kaden Hoffman, Schuyler Gilhausen, Carl Lundgren, Hunter Wright, Cade Krings, and Alex Ponshock

Freshmen – Terrance Roberson, Noah Schultz, Austin Quinlan, Gavin White Eagle, and Tanner Knudson

The JV team finished with a 20-1 record and the freshmen finished 11-2. Coach Klawitter and Coach Marth did an outstanding job with our underclassmen.

We would like to thank all the people who supported our teams throughout the season. It means a great deal to us to have such great fans throughout the season. Go Apaches!

## **Nurses Notes**

As school ends and summer starts, many families are looking at summer vacations. Checking on your child's immunizations is a top priority. Parents can check their child's immunizations at Wisconsin Immunization Registry <a href="https://www.dhs.wisconsin.gov/immunization/wir.htm">https://www.dhs.wisconsin.gov/immunization/wir.htm</a>. This is especially important if traveling to a state that has the measles outbreak and or traveling by airplane. It is also important if your child will be in any summer sports or camps. For states affected please check the CDC website at <a href="https://www.cdc.gov/measles/cases-out-breaks.html">https://www.cdc.gov/measles/cases-out-breaks.html</a>

This is a reminder to have all immunizations up to date for 2019-2020 school year. Under Wisconsin State Law, Wis. Stat. sec. 252.04, it is required to have your child vaccinated within 30 days of the start of school or daycare. If a waiver form is needed, please stop at the school office and pick one up.

If your child takes medication at school a Medication Administration document dated with the new school year will need to be received by the child's physician before medication will be given at school. Parent signature is needed as well.

If your child has a Health Care Plan, example: Asthma, Allergy requiring medication, Diabetes, Seizures or other condition, a new care plan dated with the new school year is needed from your physician. Parent signature is needed as well.

## **SUMMER SAFETY TIPS**

Make sure children are in the proper seat in the car:

- As the child grows the seat will change
- Infants should be rear facing until the age of 2 or longer
- All children in the back seat until they are at least 13 and can properly wear a seat belt <a href="https://www.safekids.org/">https://www.safekids.org/</a>
- Get your car seats checked at the Marshfield Fire and Rescue Department on the 3rd Tuesday of every month from 11:00 am-1:00 pm

Check out the CDC website on making summer safe for kids <a href="https://www.cdc.gov/family/kids/summer/index.htm">https://www.cdc.gov/family/kids/summer/index.htm</a>

Make sure children are wearing proper gear for activity:

- Life jackets on while on the water
- Helmets while riding a bike
- Sunscreen of at least 15 SPF with UVB and UVA protection
- Mosquito and tick repellant

Have a fun and safe summer and we will see you back in the fall!

Monica and Kris

## **Middle School Choir Trip**

Middle School Choir took a fun trip to Action City in Eau Claire on May 23rd. They enjoyed a morning of go-carts, bumper cars, zip lining and many other games. After an all-you-can-eat pizza buffet, they got some afternoon time in the trampoline park! It was a great way to finish up a fun year with these hard working kids!

## **Math League 2018-2019**

by Scott Meidl

Another year has quickly passed, as so too has another year of math league. We had another outstanding year competing at the University of Wisconsin – Stevens Point campus. Math league is comprised of three separate meets, with each school bringing students in three categories: Geometry, Algebra (Algebra II) and Advanced. Four students from each category are allowed to take the test and have their scores counted.

Geometry participants this year were Faith Hafermann, Jesse Fowler, Nicole Marth, and Morgan Raab. Carl Lundgren, Lily Kloos, Lauren Peplinski, Lauryn Olsen, and Katie Helminiak took the test in the Algebra area, and rounding out our participants were those partaking in the Advanced category: Paul Kollross, Natasha Neve, Alexandra Wolf, Natalie Aue, and Julianna Kollross.

Our top finishers in each category were; Nicole Marth, who finished 19/67 in Geometry; Carl Lundgren, who placed 10/64 for Algebra, and Paul Kollross, who finished 8/66 in the Advanced category. Congratulations, and thank you to everyone who participated this year!

## Drama Club

by Amber Guldan

The 2018-2019 school year was an amazing year of revival for the Drama Club at Auburndale High School. The exciting undertaking had many challenges but all of the students and staff involved took on each one with determination. The high amount of student interest lead to two productions this school year.

The first production was <u>Maid to Order</u> by Matthew K. Begbie. Auditions were held in November and performances were in January. There was a total of 15 students involved in the cast and crew for this production. The comedy was well attended and many positive comments were received from those that attended. Given the positive support from the community, families, and the determination of the students a second production was planned before the end of the school year.

The second production was a children's theater one-act comedy The Dread (Playwright) Pirate Sadie by Steven Stack. Auditions were held in February and students balanced spring activities and commitments on top of memorizing lines, learning to sword fight, and making the extensive list of props for this fanciful production. The students put on 4 performances with a cast and crew of 17 students.

Thank you to all of the students who were involved in one or both of the productions this year: Autumn Salzwedel, Skyler Wolff, Anna Kollross, Cierra Sjoman, Abigail Anderson, Jenna Snortheim, Lindsey Meyer, Hannah Schulte, Morgan Grassl, Sarah Karl, Ashley Esser, Aly Sebold, Delayna Baird, Natasha Neve, Parker Empey, Felix Neve, Jordan Anderson, and Elizabeth Peplinski. A special thank you to all the seniors who so bravely took to the stage and showed amazing leadership skills on an new adventure!

Thank you for an amazing experience directing for the first time, and I am looking forward to many more productions in the future.

## **Auburndale Softball**

by Coach Teska

This is my fourth year as the head coach for the Auburndale high school softball team. We had a phenomenal year!! With all the snow this winter, we were afraid we wouldn't get any games in! With that said, many games were played with rainy and windy weather and cold temperatures. The girls never complained, I believe because they were happy to be out of the gym.

We finished the season with an overall record of 13-5, and a conference record of 8-2. We tied for conference champions with Marathon and Assumption. This is only the second time the softball team has won conference (the other time was in 1990). This is the first time winning conference in the Marawood South conference. Our season ended with a loss to Markesan in the regional semi final. During that game we were down 4-11 going into the bottom of the 7th inning. We rallied back with four more runs with the help of an over the fence homerun by Natalie Aue. Sadly, we came up short and the final score was 8-11. There were many upsets in the playoffs (not just with us but with every division and regional).

We had 18 players and two managers out for softball this year. Seniors - Teryn Lau, Jenna Snortheim, Alexis Soppe, Marissa Spatz, and Mackenzie Raab. Juniors - Natalie Aue, Abby Koopman, Taylor Stanton, Carly Willfahrt, and Maggie Willfahrt. Sophomores - Hailey Grimm, Faith Hafermann, Kaitlyn Kundinger, Georgi Schmutzer, and Kaydee Jo Zenner. Freshmen - Kylie Frischman, Morgan Raab, and Rylee Raab. Our managers were Brooke Aue and Brice Thiel. Our coaching staff included Mike Schulte and Brittany Zieher. They are amazing and it's such a pleasure coaching with them. I am so very proud of all the hard work and dedication this team did this year. Thank you to all the support from the community. Go Apache Softball!!!

### Awards won:

Conference Champions - whole team 1st Team All-Conference - Teryn Lau (Senior-Center Field) and Mackenzie Raab (Senior-Left Field). Both were unanimous.

2nd Team All-Conference - Alexis Soppe (Senior-2nd Base), Natalie Aue (Junior-1st Base), and Abby Koopman (Junior-Catcher/DP).

Honorable Mention - Maggie Willfahrt (Junior-Pitcher/Shortstop), Hailey Grimm (Sophomore-Pitcher/Shortstop).

Coach of the Year - Anne Teska

## **Archery News (NASP)**

Dear Parent(s)/Guardians,

National Archery in the Schools Program (NASP) will be offered in the Auburndale School District starting in the fall of 2019. It will be available to 4<sup>th</sup> through 12<sup>th</sup> grade students.

The school will be supplying all equipment needed. You may purchase your own bow and arrows if you like, but please contact me first before buying anything because only one type of bow and only one type of arrow is allowed. This is to put everyone on the same level, only the individual can make them shoot better.

Practices will tentatively be held at the Elementary School at times to be determined. You do have the opportunity to compete in Archery along with other sports.

I am looking for more coaches (no experience in archery is needed to coach, they will train you in the certification class). If you are interested, please contact me as soon as possible in order to obtain certification.

If you have any questions, contact Corey Lobner at <u>bearcreekchoppers@yahoo.com</u>. You may also go to <u>naspschools.org</u> for more information.
