

## **185 - BOARD COMMITTEES**

The Board has established several standing committees. The standing committees are subject to annual review and may be modified, added to, or deleted at the Board's discretion. The assignment of Board members to serve on standing committees shall be done by the Board President at the first regular Board meeting following the reorganizational meeting of the Board. Appointment of a Board member to a standing committee shall be based as much as possible on the Board member's preference.

The Board may also establish temporary (ad hoc) committees from time to time. The Board President will appoint a Board member or members to serve on a temporary committee. Temporary (ad hoc) committees shall dissolve as soon as their assignment is complete.

All standing and/or temporary (ad hoc) committees shall have no power to take action whatsoever, or to commit the Board or District to any course of action except as specifically directed by the Board. No committee shall have the power or authority to direct the operations of another committee nor shall one committee interfere with or influence the performance or outcomes of another committee. All committees shall report their findings or recommendations solely to the Board for appropriate action during a regular or special meeting.

Notice of committee meetings shall be given to the public in accordance with state statutes and established procedures. The following are standing committees of the Board:

POLICY: To review, update and revise District policy and make recommendations to the Board.

Membership: 2 Board Members and District Administrator
