

731.1 - LOCKER ROOM PRIVACY

The District shall observe measures intended to protect the privacy rights of individuals using school locker rooms. The following provisions outline the extent to which that protection can and will be provided:

Locker rooms are provided for the use of physical education students, athletes, and other activity groups and individuals authorized by the building principal or by District policy. No one will be permitted to enter the locker room or remain in the locker room to interview or seek information from an individual in the locker room at any time. Such interviews may take place outside of the locker room consistent with applicable District policies and/or school rules.

Cell phones, cameras, video recorders or other devices that can be used to record or transfer images are not allowed in the locker room at any time.

No person may use a cell phone, camera, video recorder, or other device to capture, record, or transfer a representation of a nude or partially nude person in the locker room, a rest room, or any other location on school premises or at a school sanctioned function.

Students and staff violating this policy shall be subject to school disciplinary action and possible legal referral, if applicable. Other persons violating the policy may be subject to penalties outlined in state law. The building principal or his/her designee shall be responsible for enforcing this policy.

This policy shall be publicized annually and posted in each locker room in the District.
