

731.3 – IDENTIFICATION BADGES

The School District of Auburndale School Board recognizes its responsibility to protect the safety of its students and staff.

All visitors/volunteers and any contracted service worker that enters the school property are required to check in at the main office of each school building to obtain a visitor's badge. When visitors/volunteers and contracted workers are leaving, they must return the badge to the main office. An identification badge is to be worn in such a manner that it can easily be observed and read.

Building administrators will be required to maintain an adequate supply of visitor badges.
