

Clarksdale Municipal School District

Supporting Documentation for Expenditure of Funds with External Vendor

Each CMSD Administrator authorizing the expenditure of funds under their supervision and area(s) of responsibility exceeding ten thousand dollars (\$10,000) for services and/or exceeding five thousand dollars (\$5,000) for commodities is required to complete this form. All appropriate supporting detail must accompany this form to document and verify compliance with state and federal purchasing/procurement requirements.

The completion of this form is a new requirement in CMSD effective October 2018 and thereafter.
