

# Ramapo Ridge Middle School

## 2024-2025 School Supplies List

Please find the School Supplies List below for each grade level. Contact the building principal if your family is in need of assistance to purchase school supplies.

The list is a general guideline for parents/ students to help prepare for the new school year and avoid the last minute rush at the end of August!

Individual teachers may communicate more specific items when classes resume in September. It is suggested that receipts be saved until your child has one week of class meetings.

### **General supplies**

Blue, black and red pens  
Pencil case  
Pencils / extra lead supply  
Erasers  
Hand-held pencil sharpeners
