<b>#</b>	<b>TITLE</b>	<b>M</b>	<b>SUMMARY</b>	<b>ACTION</b>
1522	School-level Planning (Revised)	M	The requirements for school-level planning remain unchanged with the exception of eliminating the reference to the Quality Assurance Annual Report (QAAR), which is now replaced by New Jersey Quality Single Accountability Continuum (QSAC).	1 <sup>st</sup> Reading <b>ATT. # 7A</b>
2461	Special Education/ Receiving Schools (Revised)	M	On February 9, 2011, school districts received a Memorandum from the New Jersey Department of Education (DOE) dated February 4, 2011 with a model policy and procedures required for private schools and public schools who receive special education children. Policy Guide 2461 has been revised to be consistent with the model policy and procedures.	1 <sup>st</sup> Reading <b>ATT. # 7B</b>
5561	Use of Physical Restraint (New)	M	Several districts have requested policy guidance regarding the use of physical restraint. N.J.S.A. 18A:6-1 permits the use of reasonable force to control a pupil for certain emergency situations	1 <sup>st</sup> Reading <b>ATT. # 7C</b>

			outlined in N.J.S.A. 18A:6-1. The use of physical restraint in schools is the subject of much debate. Although New Jersey law expressly permits the use of reasonable force to control a pupil in an emergency situation, there is no statute or code to provide specific guidance on the use of physical restraint. Policy 5561 was developed upon reviewing the current research and other State laws regarding the use of physical restraints. This Guide provides a very conservative approach to the use of physical restraint by school staff members in an emergency situation.	
6220	Budget Preparation (Revised)	M	Policy Guide 6220 has been revised removing some of the details of budget development and referencing the new code sections that apply as the budget details are frequently revised. In addition, some of the new requirements regarding public inspection of the budget upon submission to the Executive County Superintendent and publication of the budget after adoption have been added. Administrative code legal citations have also been updated.	1 <sup>st</sup> Reading <b>ATT. # 7D</b>
6820	Financial Reports (Revised)		The revised Policy Guide provides some additional details, updates the legal code citations, expands the Board Secretary's title to School Business Administrator/Board Secretary, and provides for a Treasurer of School Moneys designee in the event the district elects not to have a Treasurer of School Moneys position consistent with the recent legislation making this position no longer a requirement. The new code and this Policy Guide does not change any financial reporting requirements.	1 <sup>st</sup> Reading <b>ATT. # 7E</b>
2414	Programs and Services for Pupils in High Poverty and in High Need School Districts		This policy is only relevant to high poverty and high need school districts as defined in the administrative code and requires certain programs and services in high poverty and high need school districts.	Repeal
