

## SCHOOL YEAR 2025 SUMMER EBT BENEFIT NOTICE TO HOUSEHOLDS WITH ACCESS TO THE NATIONAL SCHOOL LUNCH PROGRAM

---

**Notice: There will be no Summer Electronic Benefit Transfer (EBT) program benefits this summer (2024).**

If your household receives free or reduced-price school meal eligibility in school year 2024-2025, your children enrolled in a National School Lunch Program School may be eligible for EBT program benefits in summer 2025.

Summer EBT provides grocery-buying benefits to low-income families with school-aged children when schools are closed for the summer. To save you time and effort, the law allows us to disclose information from the free and reduced-price meal eligibility to the Department of Workforce Services and the Utah State Board of Education to issue Summer EBT benefits.

Filling out the Free and Reduced-Price School Meals Application does not automatically qualify your children for the Summer EBT program benefits.

Program officials may contact you to confirm or obtain updated household information and mailing address to ensure your household receives the benefits your children are eligible to receive.

Information about the Summer EBT program is online at <https://www.fns.usda.gov/sebt> and through the Utah Department of Workforce Services.

If you do not want us to share your information with the Utah State Board of Education and the Department of Workforce Services to issue Summer EBT, indicate your choice to opt out by checking the box next to the opt out statement on page two of the free and reduced-price meal application.
