9. Policy and Regulations

Motion: To approve the listed First and Second Readings and Adopt or Repeal the Policies and By Laws with Second Readings (summaries attached):

Policy #	Title	Action	Att. #
P & R 1510	<p>Americans with Disabilities Act</p> <p>Policy Guide 1510 has been revised, but due to major changes enacted in the Americans with Disabilities Act (ADA) Amendments Act of 2008 specifying how the definition of "disability" should be interpreted and applied, Policy Guide 1510 has been revised while Regulation Guide 1510 should be replaced with the new Regulation Guide 1510 included in this Alert. The intent of Congress in the amendment was to reassert a broad scope of protection under the ADA. Significant changes as summarized in the ADA Amendments Act Final Rule, which became effective October 11, 2016, are included in the new Regulation Guide and include, but are not limited to:</p> <ul style="list-style-type: none"> • Applying the definition of "disability" "more generously" without demanding "extensive analysis." The new regulations restore the original intent of the ADA in "making it easier for an individual to establish that he or she has a disability." • Clarifying that an impairment that substantially limits a major life activity need not also limit other major life activities to be considered a disability. • Noting that impairments that are episodic or in remission are considered disabilities if the impairment would substantially limit a major life activity when in the active state. • Expanding the definition of what may constitute a "major life activity." • Policy Guide 1510 has removed reference to Section 504 as new Policy and Regulation Guides 2418 added Section 504 are included in this Policy Alert. 	1st Reading	#6A,6B
P 2415.30	<p>Title I - Educational Stability for Children in Foster Care</p> <p>School districts recently received a NJDOE Memorandum dated October 4, 2016 requiring school districts to have policies and procedures in place by December 10, 2016 to ensure the educational stability for children in foster care. The Memorandum also indicates school districts will receive further written guidance on how to implement these requirements. Strauss Esmay contacted the NJDOE and the Division of Children and Families (NJDCF) representatives listed on the Memorandum who</p>	1st Reading	#6C

	<p>provided supporting documentation to our office. These representatives indicated they did not know when the policy guidance referenced in the Memorandum would be provided to school districts. Therefore, in order for school districts to have a Policy adopted and in place for December 10, 2016, Strauss Esmay developed a new Policy Guide 2415.30 – Title I – Educational Stability for Children in Foster Care. This new Policy Guide addresses the requirements outlined in the October 4, 2016 Memorandum and additional requirements outlined in the supporting documentation. This Policy Guide will likely need to be revised after the NJDOE/NJDCF guidance is developed and provided to school districts. It is recommended this Policy Guide be adopted by the Board to comply with the December 10, 2016 implementation date with the understanding this Policy Guide will be revised once written guidance is provided from the NJDOE/NJDCF</p>		
P & R 2418	<p>Section 504 of the Rehabilitation Act of 1973 -- Students Policy and Regulation Guides 2418 are new. Section 504 of the Rehabilitation Act of 1973 was previously referenced in Policy Guide 1510 which is updated in this Policy Alert. These new Policy and Regulation Guides reflect the broadened interpretation of "disability" in the implementation of this legislation. Section 504 for students is now presented in Policy and Regulation Guides 2418.</p>		#6D, 6E
P & R 5116	<p>Education of Homeless Children Policy and Regulation Guides 5116 – Education of Homeless Children have been revised to incorporate current administrative code, N.J.A.C. 6A:17-2. These Guides expand the definition of a homeless child; require additional responsibilities of the district's homeless liaison; and require an immediate decision and enrollment of a homeless child pending resolution of a dispute. A homeless Policy and Regulation Guide is not required by statute or code, but these Guides are highly recommended to be adopted by the Board as these Guides provide important guidance in this area and are aligned with the statute and administrative code.</p>		#6F, 6G
P 5330.04	<p>Administering an Opioid Antidote The "Overdose Prevention Act" approved by the Legislature and signed by the Governor provides immunity from civil and criminal liability to a healthcare professional or pharmacist who prescribes or dispenses an opioid antidote to a person capable, in the judgment of the health care professional, of administering an opioid antidote in an emergency. In addition, the Act provides similar immunity to non-health care professionals who in an</p>		#6H

	emergency administers an opioid antidote to a person who the person believes, in good faith, is experiencing an opioid overdose		
P& R 8330	<p>Student Records</p> <p>N.J.A.C. 6A:32 – School District Operations was recently revised and adopted requiring revisions to Policy and Regulation Guides 8330. N.J.A.C. 6A:32-7 – Student Records requires revisions to Policy and Regulation Guides 8330 – Student Records. The revisions are not significant as the new code addresses the use and storage of electronic records, revises the parent appeal process to require a parent to appeal to the Board of Education before appealing to the Commissioner of Education, and several minor issues of clarification. The Policy Guide has been revised to avoid duplicating many of the same provisions that are also included in the Regulation Guide. The Policy Guide distinguishes the difference between a Student Information Directory and a School Contact Directory for Official Use and highlights the requirement that a parent may inform the district to exclude information from the Student Information Directory and School Contact Directory.</p>		#6I, 6J
