

School Transportation NEEDS Your HELP!

As a partnering school district, Hunterdon County Educational Services Commission (Hunterdon ESC) provides transportation for students at districts throughout Hunterdon County and beyond, including but not limited to: North Hunterdon & Voorhees High Schools, Clinton Township, Clinton-Glen Gardner, Lebanon Township, Franklin Township, Union Township,

As you know there is a national driver shortage - impacting everyone. This situation is making it harder and harder to get all students to/from school on a timely basis. With the shortage, our current drivers are doing all they can to maintain the level of service we pride ourselves on.

BECOME A SCHOOL BUS DRIVER!

Becoming a school bus driver will help ensure your child and those around you have the services they need to get to / from school every day. Current shortages are impacting athletics, trips and late bus services. If you have any interest, Hunterdon ESC will walk you through the [process](#). All you need is a good driving record and the willingness to obtain your CDL, if you don't already have one. Hunterdon ESC will waive the \$2,125 [training fee](#) if you work for us as a school bus driver.
